BETWEEN PINELLAS COUNTY, FLORIDA
AND THE CITY OF PINELLAS PARK, FLORIDA**

**SECTION 1
INTENT OF AGREEMENT**

THIS AGREEMENT, made and entered into as of the 26th day of April, 2022 by and between Pinellas County, a political subdivision of the State of Florida, hereinafter called the "COUNTY", and the City of Pinellas Park, a municipal corporation of the State of Florida, hereinafter called the "CITY".

WHEREAS, the parties are authorized to enter into this agreement pursuant to Florida Statutes, Section 163.01 (2021) to facilitate the efficient provision of services to the community; and

WHEREAS, the COUNTY and the CITY are authorized under Florida Statutes, Section 335.0415, 335.0415(3) (2021), to enter into agreements with other governmental entities, to provide for the transfer of jurisdiction, operation and maintenance responsibilities of public roads; and

WHEREAS, the COUNTY and the CITY desire to transfer real property utilized for roads and roadway appurtenances so that all right, title, and interest lie in the governmental entity currently maintaining the roads; and

NOW THEREFORE, in consideration of the covenants and agreements hereinafter contained, it is mutually agreed by and between the parties hereto as follows:

**SECTION 2
DEFINITION OF ROADWAY**

For the purpose of this Agreement, the roadways are defined to include all normal elements contained within the road rights-of-way. Road is as defined in Florida Statutes, Section 334.03(22) (2021), which reads as follows:

"Road" means a way open to travel by the public, including, but not limited to, a street, highway, or alley. The term includes associated sidewalks, the roadbed, the right-of-way, and all culverts, drains, sluices, ditches, water storage areas, waterways, embankments, slopes, retaining walls, bridges, tunnels, and viaducts necessary for the maintenance of travel and all ferries used in connection therewith.

The definition of road also includes such additional features as guardrail, informational signing elements, striping and pavement markings.

**SECTION 3
COUNTY'S COMMITMENT**

The COUNTY agrees to transfer to the CITY deeds for the CITY'S roadways and associated stormwater appurtenances included in Composite Exhibit A which is attached hereto.

Within 30 days of the execution of this Agreement by both parties, the COUNTY will file deeds which are substantially the same as that attached hereto as Composite Exhibit A, at which time title vests in the CITY. The parties agree that they are responsible, to the extent sovereign immunity has been waived pursuant to Florida Statutes, Section 768.28, for any claims from third parties arising out of their respective maintenance activities occurring prior to the filing of the deed.

The COUNTY additionally agrees to accept the CITY's transfer of deeds for the COUNTY'S roadways and associated stormwater appurtenances as described in Composite Exhibit B. The COUNTY recognizes that the CITY may have utilities located within the properties transferred herein. The COUNTY grants herein to the CITY an easement to utilize the right-of-way for all existing CITY utilities on the properties transferred to the COUNTY herein, including but not limited to potable water, reclaimed water and sanitary sewer, for which ownership and liability is not transferring.

The parties recognize that this agreement does not affect those utilities as they currently exist, but the CITY will be subject to the COUNTY'S requirements, including permitting, for subsequent modifications, the relocation of utilities or the placement of additional utilities.

**SECTION 4
CITY'S COMMITMENT**

The CITY agrees to accept the COUNTY's transfer of deeds for the CITY'S roadways and associated stormwater appurtenances included in Composite Exhibit A. The CITY recognizes that the COUNTY may have utilities located within the properties transferred herein. The parties recognize that this agreement does not affect those utilities as they currently exist, but the COUNTY will be subject to the CITY'S requirements, including permitting, for subsequent modifications, the relocation of utilities or the placement of additional utilities

The CITY additionally agrees to transfer to the COUNTY deeds for the COUNTY'S roadways and associated stormwater appurtenances included in Composite Exhibit B which is attached hereto.

Within 30 days of the execution of this Agreement by both parties, the CITY will file deeds which are substantially the same as that attached hereto as Composite Exhibit B, at which time title vests in the COUNTY. The parties agree that they are responsible, to the extent sovereign immunity has been waived pursuant to Florida Statutes, Section 768.28, for any claims from third parties arising out of their respective maintenance activities occurring prior to the filing of the deed.

The parties recognize that this agreement does not affect those utilities as they currently exist, but the CITY will be subject to the COUNTY'S requirements, including permitting, for subsequent modifications, the relocation of utilities or the placement of additional utilities.

**SECTION 5
EFFECTIVE DATE**

This Agreement shall take effect immediately upon filing with the Clerk of the Circuit Court in Pinellas County in accordance with Florida Statutes, Section 163.01(11) (2021) and shall continue in full force and affect unless and until terminated prior to the filing of the deeds in accordance with Sections 3 and 4.

**SECTION 6
AGREEMENT**

This Agreement contains the entire Agreement between the parties and supersedes all prior Interlocal Agreements for the affected parcels. There are no oral understandings, terms or conditions, and neither party has relied on any representation, expressed or implied, not contained in this Agreement.

This Agreement may be modified or amended only by a written document, signed by the duly authorized representatives of both parties to said Agreement. Nothing in this Agreement is intended to create a third party beneficiary in persons not party to this Agreement.

**SECTION 7
MISCELLANEOUS PROVISIONS**
