

Health Department

Department Director: Dr. Ulyee Choe, DO

OMB Budget Analyst: Toni Merrill

Department Purpose

The Health Department Fund accounts for the collection of local ad valorem taxes and the subsequent distribution to the Florida Department of Health in Pinellas County (DOH-Pinellas) to fund health-related services to County residents. The majority of the budget comes from the State, local grants, and contracts. The DOH-Pinellas promotes and protects the health of citizens and visitors to Pinellas County through programs of disease prevention, diagnosis and treatment of disease, and environmental monitoring. Clinical services of the DOH-Pinellas include child health, maternity, family planning, refugee screening, and communicable disease services. Services are available in St. Petersburg, Clearwater, Pinellas Park, Largo, and Tarpon Springs. The current tax rate approved by the Board of County Commissioners is 0.0713 mills. The maximum millage cap is 0.5000 mills.

Topics for Discussion and Budget Drivers

Topics for Discussion

- For Ad Valorem property tax revenues, a 9.1% increase and the FY24 millage rate of 0.0713 mills is currently used in the FY25 Budget.
- Population growth with higher incomes is driving up both housing and living costs making it difficult to hire and retain state employees locally.
- The Department of Health Design & Construction Office is currently taking bids for all three phases of the St. Pete roof project. The Health Department expects actual construction on Phase 1 of project to start by November 2024.

Health Department

Budget Drivers

- The Health Department Fund is supported by the collection of ad valorem revenues, excess fees from the Tax Collector, and interest earnings. Ad valorem revenue increases \$759,140 (9.1%) to \$9.2M based on the current millage rate.
- Using the estimated rollback rate of 0.0654 mills from the current 0.0713 mills reduces the FY25 budget request by approximately \$757,080 to \$11.6M. This adjustment also lowers Reserves for FY25 from \$3.9M to \$3.2M. If the rollback rate is maintained for FY25 and remains throughout the forecast period FY26 to FY30, the Health Department Fund would remain balanced without any impact on services.
- The FY25 Budget for the Health Department Fund, excluding Reserves, increases \$347,000(4.4%) from the FY24 Budget. Including Reserves, the FY25 Budget increases \$1.0M (9.0%) to \$12.4M. The increase of \$347,000 is in the Grants and Aids section of the budget. Within Core Services, increases include the need for the Clearwater Generator replacement of \$350,000, St. Petersburg Generator of \$350,000, and the St. Petersburg roof replacement of \$300,000; and the Governor’s approved 3.0% increase in salaries and fringe for state employees of \$147,000.
- The Health Department Fund maintains total reserves of \$3.9M for FY25, an increase of \$679,080(20.8%) from the FY24 Budget. For FY25, the fund maintains reserves of 30.0% of revenues. Of these reserves, \$1.6M is set aside for specific future one-time costs such as St. Petersburg flooring, Largo generator, St. Petersburg fire alarm panel upgrade and potential relocation/purchase of new St. Petersburg facility.
- Budgeted Capital Outlay
 - 2025 St. Petersburg Generator \$350,000
 - 2025 Clearwater Generator \$350,000
 - 2025 St Petersburg Roof \$300,000
