Dear Commissioner Justice,

I hope this message finds you well! I am writing today to express my interest in an upcoming vacancy on the Educational Facilities Authority, which the Board will be making appointments to in the near future. I've submitted my application materials for this appointment through the BCC's board appointment portal, but I wanted to follow-up with an email to convey my appreciation for your consideration.

I have a unique combination of experience, having been employed with the County (including in the Office of Management and Budget) and working in higher education, which I think would bring a beneficial perspective to the Educational Facilities Authority.

Should you have any questions for me or want to chat about my interest in the appointment further, please do not hesitate to reach out. I thank you again for your consideration!

Sincerely,

Ralph Reid
