RE: Truth in Millage (TRIM) Certification

Dear Mr. Burton:

The Department of Revenue (Department) has reviewed the millage certification documents submitted by your taxing authority. The Department found no violation of the certification requirements in subsections 200.065(1)-(4), (6)-(12), (14), and (15), Florida Statutes (F.S.), and therefore accepts the certification.

The Department also reviewed the maximum millage levy calculation final disclosure documents submitted by your taxing authority. The review included millage levying process documents and documents relating to the total taxes levied by your principal taxing authority, dependent special districts and municipal service taxing units (for counties). Based on the review of these documents, the Department determined that your taxing authority is in compliance with the requirements of maximum total taxes levied, and thus the maximum millage levy requirements of section 200.065(5), F.S.

Sincerely,

Rene Lewis, Program Director
