

**MEMORANDUM OF UNDERSTANDING BETWEEN
PINELLAS COUNTY AND THE SIXTH JUDICIAL CIRCUIT
COURT OF FLORIDA FOR THE ELEVATE PROGRAM**

THIS MEMORANDUM OF UNDERSTANDING (MOU) is made and entered into by and between Pinellas County, a political subdivision of the State of Florida, hereinafter referred to as “County”, and the Sixth Judicial Circuit Court of Florida, hereinafter referred to as “Court”.

WHEREAS, the County has received a joint grant award, hereinafter referred to as the “Grant”, through the Bureau of Justice Assistance (BJA), and the Substance Abuse and Mental Health Services Administration (SAMHSA), to execute Pinellas County Elevate: Raising Problem Solving to Another Level, which is an enhancement to the Adult Drug Court; and

WHEREAS, the Court agreed in the Grant application to undertake certain activities; and

WHEREAS, the County is the grantee of the Grant, and is acting as the fiscal agent for the Grant to fund the Court’s hiring of employee(s). Those employees and/or contract services are necessary for the Court to perform its specified activities under the Grant; and

WHEREAS, the County desires to ensure that the Court has the ability to properly perform such activities; and

WHEREAS, in order to fulfill its responsibilities under the Grant, the Court may hire employees and contract for services; and

WHEREAS, the funding for the Grant is in the approved budget for Human Services, or will occur during the term of this MOU.

THEREFORE, the County and the Court agree as follows:

1. In accordance with the Grant, the Court may hire employees and may contract for services to provide services for Court functions in accordance with the terms of the Grant. The Court retains sole authority to hire, terminate, and establish policies relating to the work of any such employee or contracted personnel. The number of employees hired and the extent of any contracted services are limited to those funded or reimbursed by the Grant or by any approved Grant Adjustment Notices thereto.

2. The Court and the County agree that any Employee hired by the Court in accordance with the terms of the Grant will be a County-funded court employee in accordance with the Interlocal Agreement regarding County-funded court employees entered into between the County and the Court on June 16, 2009, and extended on June 14, 2011, and the Modification Extension dated May 21, 2013, and which may be further extended during the term of this MOU. The County will pay for such employee(s) with Grant funds, in accordance with the terms and conditions as set forth in the Grant application and Award(s) by BJA and SAMHSA, respectively (Attachment 1). If at any time the Grant funding shall no longer be available, the County shall have no further

obligation to pay for such Employee(s).

3. The parties agree that the Court cannot and will not have any role in the County's hiring or contracting for personnel or other services to perform non-Court related functions under the Grant.

4. To the extent authorized by Section 768.28(19), Florida Statutes, and to the extent that such liability is solely the result of acts or omissions of the Sixth Judicial Circuit, its agents, or employees, the Court shall pay the cost of defense, and hold harmless the County from all suits, actions, claims of any character brought on account of any injuries or damages received or sustained by any person, persons or property by or from the said Grant-funded employee(s); or by, or in consequence of, any neglect in safeguarding the work; or on account of any act or omission, neglect or misconduct of the Grant-funded employee(s); or by, or on account of, any claim or accounts recovered under the "Worker's Compensation Law"; or of any other laws, by-laws, ordinances, orders or decrees.

5. This MOU shall be effective retroactively from September 30, 2015, and will continue in effect through September 29, 2018, unless mutually extended or modified by the parties.

6. Except as expressly provided in this MOU, neither party may subcontract, assign or transfer its rights or obligations under this MOU without prior written consent of the other party.

7. Either party may cancel this MOU, with or without cause, upon giving ninety (90) days written notice to the other party.

8. The parties shall comply with all federal grant guidelines, as well as with County procedures for monitoring of grant funded services and operations, including the submission of additional reports as requested by the County.

9. All rights and responsibilities provided for in this MOU shall be subject to the availability and receipt of the Grant funds.

10. This MOU constitutes the entire agreement between the parties regarding the Grant-funded employee(s). It may be amended, only in writing, and signed by all parties to this MOU.

Dear Mr. Woodard:

On behalf of Attorney General Loretta Lynch, it is my pleasure to inform you that the Office of Justice Programs has approved your application for funding under the FY 15 Joint Adult Drug Court Solicitation to Enhance Services, Coordination, and Treatment in the amount of \$299,491 for County of Pinellas. The Joint Adult Drug Court Services, Coordination, and Treatment Grant Program is designed to assist states, state courts, local courts, counties, other units of local government, or Indian tribal governments to implement comprehensive strategies for enhancing drug court capacity by bridging access to both criminal justice and substance abuse treatment funds. The program supports the enhancement of court services and capacity, coordination, and evidence-based substance abuse treatment and recovery support services of adult drug courts. Drug court programs funded by the Joint Adult Drug Court Services, Coordination, and Treatment Grant Program are required by law to target nonviolent criminal offenders.

The grant recipient will use the grant funds to: include or establish new services for populations not currently being served in the drug court; enhance court operations including training programs for drug court practitioners, drug court program evaluations, performance management system implementation, and automated management information system implementation; expand or enhance court services in areas such as offender management, including drug testing, case management, and community supervision; and improve the quality and/or intensity of services such as healthcare and mental health care, education, vocational training, job training and placement, housing placement assistance, and childcare or other family support services for each participant who requires such services.

Mr. Mark S. Woodard
County of Pinellas
315 Court Street
Clearwater, FL 33756-5165

Dear Mr. Woodard:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of federal funding to compliance with federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) is responsible for ensuring that recipients of financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) comply with the applicable federal civil rights laws. We at the OCR are available to help you and your organization meet the civil rights requirements that come with DOJ funding.

Ensuring Access to Federally Assisted Programs

Federal laws that apply to recipients of financial assistance from the DOJ prohibit discrimination on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in employment but also in the delivery of services or benefits. A federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

In March of 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013. The statute amends the Violence Against Women Act of 1994 (VAWA) by including a nondiscrimination grant condition that prohibits discrimination based on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity. The new nondiscrimination grant condition applies to certain programs funded after October 1, 2013. The OCR and the OVW have developed answers to some frequently asked questions about this provision to assist recipients of VAWA funds to understand their obligations. The Frequently Asked Questions are available at <http://ojp.gov/about/ocr/vawafaqs.htm>.

Enforcing Civil Rights Laws

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, *Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons*, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <http://www.lep.gov>.

Ensuring Equal Treatment for Faith-Based Organizations

The DOJ regulation, *Equal Treatment for Faith-Based Organizations*, 28 C.F.R. pt. 38, requires State Administering Agencies (SAAs) to treat faith-based organizations the same as any other applicant or recipient. The regulation prohibits SAAs from making awards or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see the OCR's website at http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm.

SAAs and faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789d(c); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and VAWA, Pub. L. No. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

Using Arrest and Conviction Records in Making Employment Decisions

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See *Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964* (June 2013), available at http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf. Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOs) (see below).

Complying with the Safe Streets Act

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEO (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), .205(c)(5)).

Meeting the EEOP Requirement

If your organization has less than fifty employees or receives an award of less than \$25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEOP requirement. To claim the exemption, your organization must complete and submit Section A of the Certification Form, which is available online at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and receives an award of \$25,000 or more, but less than \$500,000, and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form), but it does not have to submit the report to the OCR for review. Instead, your organization has to maintain the Utilization Report on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and has received an award for \$500,000 or more and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form) and submit it to the OCR for review within sixty days from the date of this letter. For assistance in developing a Utilization Report, please consult the OCR's website at <http://www.ojp.usdoj.gov/about/ocr/eeop.htm>. In addition, your organization has to complete Section C of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

To comply with the EEOP requirements, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 307-0690, by TTY at (202) 307-2027, or by e-mail at EEOSubmission@usdoj.gov.

Meeting the Requirement to Submit Findings of Discrimination

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the OCR.

Ensuring the Compliance of Subrecipients

SAAs must have standard assurances to notify subrecipients of their civil rights obligations, written procedures to address discrimination complaints filed against subrecipients, methods to monitor subrecipients' compliance with civil rights requirements, and a program to train subrecipients on applicable civil rights laws. In addition, SAAs must submit to the OCR every three years written Methods of Administration (MOA) that summarize the policies and procedures that they have implemented to ensure the civil rights compliance of subrecipients. For more information on the MOA requirement, see http://www.ojp.usdoj.gov/funding/other_requirements.htm.

If the OCR can assist you in any way in fulfilling your organization's civil rights responsibilities as a recipient of federal financial assistance, please contact us.

Sincerely,

Michael L. Alston

1. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (the "Part 200 Uniform Requirements") apply to this 2015 award from the Office of Justice Programs (OJP). For this 2015 award, the Part 200 Uniform Requirements, which were first adopted by DOJ on December 26, 2014, supersede, among other things, the provisions of 28 C.F.R. Parts 66 and 70, as well as those of 2 C.F.R. Parts 215, 220, 225, and 230.

If this 2015 award supplements funds previously awarded by OJP under the same award number, the Part 200 Uniform Requirements apply with respect to all award funds (whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2015 award.

Potential availability of grace period for procurement standards: Under the Part 200 Uniform Requirements, a time-limited grace period may be available under certain circumstances to allow for transition from policies and procedures that complied with previous standards for procurements under federal awards to policies and procedures that comply with the new standards (that is, to those at 2 C.F.R. 200.317 through 200.326).

For more information on the Part 200 Uniform Requirements, including information regarding the potentially-available grace period described above, see the Office of Justice Programs (OJP) website at <http://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

2. The recipient agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide").
3. The recipient acknowledges that failure to submit an acceptable Equal Employment Opportunity Plan (if recipient is required to submit one pursuant to 28 C.F.R. Section 42.302) that is approved by the Office for Civil Rights is a violation of the Standard Assurances executed by the recipient, and may result in suspension of funding until such time as the recipient is in compliance, or termination of the award.
4. The recipient understands and agrees that OJP may withhold award funds, or may impose other related requirements, if the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.
5. Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of OJP.
6. The recipient and any subrecipients must promptly refer to the DOJ OIG any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has -- (1) submitted a claim for award funds that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving award funds. Potential fraud, waste, abuse, or misconduct should be reported to the OIG by - mail: Office of the Inspector General U.S. Department of Justice Investigations Division 950 Pennsylvania Avenue, N.W. 19. The recipient agrees to submit to BJA for review and approval any curricula, training materials, proposed publications, reports, or any other written materials that will be published, including web-based materials and web site content, through funds from this grant at least thirty (30) working days prior to the targeted dissemination date. Any written, visual, or audio publications, with the exception of press releases, whether published at the grantee's or government's expense, shall contain the following statements: "This project was supported by Grant No. 2015-DC-BX-0073 awarded by the Bureau of Justice Assistance. The Bureau of Justice Assistance is a component of the Department of Justice's Office of Justice Programs, which also includes the Bureau of Justice Statistics, the National Institute of Justice, the Office of Juvenile Justice and Delinquency Prevention, the Office for Victims of Crime, and the SMART Office. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice." The current edition of the OJP Financial Guide provides guidance on allowable printing and publication activities.
20. The recipient agrees to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with OJP (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide to OJP all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP's grant monitoring activities may result in sanctions affecting the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to grant funds; referral to the Office of the Inspector General for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).
21. Award recipients must verify Point of Contact(POC), Financial Point of Contact (FPOC), and Authorized Representative contact information in GMS, including telephone number and e-mail address. If any information is incorrect or has changed, a Grant Adjustment Notice (GAN) must be submitted via the Grants Management System (GMS) to document changes.
22. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.
23. All procurement (contract) transactions under this award must be conducted in a manner that is consistent with applicable Federal and State law, and with Federal procurement standards specified in regulations governing Federal awards to non-Federal entities. Procurement (contract) transactions should be competitively awarded unless circumstances preclude competition. Noncompetitive (e.g., sole source) procurements by the award recipient in excess of the Simplified Acquisition Threshold (currently \$150,000) set out in the Federal Acquisition Regulation must receive prior approval from the awarding agency, and must otherwise comply with rules governing such procurements found in the current edition of the OJP Financial Guide.
24. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the Office of Justice Programs (OJP) program office prior to obligation or expenditure of such funds.

SPECIAL CONDITIONS

25. Recipient understands and agrees that it must submit quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through GMS (<https://grants.ojp.usdoj.gov>), and that it must submit quarterly performance metrics reports through BJA's Performance Measurement Tool (PMT) website (www.bjaperformancetools.org). For more detailed information on reporting and other requirements, refer to BJA's website. Failure to submit required reports by established deadlines may result in the freezing of grant funds and High Risk designation.
26. Grantee agrees that assistance funds awarded under this grant will not be used to support any inherently religious activities, such as worship, religious instruction, or proselytization. If the grantee refers participants to, or provides, a non-Federally funded program or service that incorporates such religious activities, (1) any such activities must be voluntary for program participants, and (2) program participants may not be excluded from participation in a program or otherwise penalized or disadvantaged for any failure to accept a referral or services. If participation in a non-Federally funded program or service that incorporates inherently religious activities is deemed a critical treatment or support service for program participants, the grantee agrees to identify and refer participants who object to the inherently religious activities of such program or service to, or provide, a comparable secular alternative program or service.
27. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at <http://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
28. With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

This limitation on compensation rates allowable under this award may be waived on an individual basis at the discretion of the OJP official indicated in the program announcement under which this award is made.
29. Recipient agrees to submit an evaluation plan and/or management information system (MIS) plan for review and approval within 180 days from the date of acceptance of this award. The recipient agrees to submit finalized evaluation report(s) to the Bureau of Justice Assistance prior to the end of the grant period.
30. The recipient may not obligate, expend or draw down funds until the Office of the Chief Financial Officer (OCFO) has approved the budget and budget narrative and a Grant Adjustment Notice (GAN) has been issued to remove this special condition.

Memorandum To: Official Grant File
From: Orbin Terry, NEPA Coordinator
Subject: Categorical Exclusion for County of Pinellas

The Joint Adult Drug Court Services, Coordination, and Treatment Grant Program is designed to assist states, state courts, local courts, counties, other units of local government, or Indian tribal governments to implement comprehensive strategies for enhancing drug court capacity by bridging access to both criminal justice and substance abuse treatment funds. None of the following activities will be conducted whether under the Office of Justice Programs federal action or a related third party action:

- (1) New construction.
- (2) Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including property (a) listed on or eligible for listing on the National Register of Historic Places, or (b) located within a 100-year flood plain, a wetland, or habitat for an endangered species.
- (3) A renovation that will change the basic prior use of a facility or significantly change its size.
- (4) Research and technology whose anticipated and future application could be expected to have an effect on the environment.
- (5) Implementation of a program involving the use of chemicals.

Additionally, the proposed action is neither a phase nor a segment of a project that when reviewed in its entirety would not meet the criteria for a categorical exclusion. Consequently, the subject federal action meets the Office of Justice Programs' criteria for a categorical exclusion as contained in paragraph 4(b) of Appendix D to Part 61 of Title 28 of the Code of Federal Regulations.

The Joint Adult Drug Court Services, Coordination, and Treatment Grant Program is designed to assist states, state courts, local courts, counties, other units of local government, or Indian tribal governments to implement comprehensive strategies for enhancing drug court capacity by bridging access to both criminal justice and substance abuse treatment funds. The program supports the enhancement of court services and capacity, coordination, and evidence-based substance abuse treatment and recovery support services of adult drug courts. Drug court programs funded by the Joint Adult Drug Court Services, Coordination, and Treatment Grant Program are required by law to target nonviolent criminal offenders.

The county of Pinellas will use the grant funds to: include or establish new services for populations not currently being served in the drug court; enhance court operations including training programs for drug court practitioners, drug court program evaluations, performance management system implementation, and automated management information system implementation; expand or enhance court services in areas such as offender management, including drug testing, case

management, and community supervision; and improve the quality and/or intensity of services such as healthcare and mental health care, education, vocational training, job training and placement, housing placement assistance, and childcare or other family support services for each participant who requires such services.
