Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is for approval of the Grant Agreement with the United States Environmental Protection Agency (USEPA) for Air Pollution Control Program support. Grant incremental funding for the first project year is in the amount of \$225,000.00 for the project period October 1, 2024, to September 30, 2026. The USEPA agrees to reimburse the County up to 30% of all approved costs incurred for this Budget Period, up to and not exceeding the total federal funding amount of \$225,000.00. An estimated required County match of \$829,290.00 for the first project year is anticipated if the full federal funds requested are received. The general fund contribution is fully reimbursed through federal funding and local air program revenue funds

Funding for this grant is included in the current year budget of Public Works in the General Fund.
