REQUEST FOR PENNY FOR PINELLAS FUNDING:

EAST LAKE COMMUNITY LIBRARY FINAL EXPANSION PHASE

We, the undersigned, request that the East Lake Community Library be given priority status for funding from the upcoming 2020 Penny for Pinellas initiative.

\$5.1 million dollars is needed for an 11,000 square foot expansion in order to reach the minimal standards set for Florida public libraries. This is much more than just a library building - it is the cultural center and community center for the East Lake corridor and serves over 90,000 patrons each year.

REQUEST FOR PENNY FOR PINELLAS FUNDING:

EAST LAKE COMMUNITY LIBRARY FINAL EXPANSION PHASE

We, the undersigned, request that the East Lake Community Library be given priority status for funding from the upcoming 2020 Penny for Pinellas initiative.

\$5.1 million dollars is needed for an 11,000 square foot expansion in order to reach the minimal standards set for Florida public libraries. This is much more than just a library building - it is the cultural center and community center for the East Lake corridor and serves over 90,000 patrons each year.
