WHEREAS, Code Inspectors may have certain personal information redacted from public records pursuant to Section 119.071(4)(d)2.i., Fla. Stat.; and

WHEREAS, the Board last designated Code Inspectors for all departments under the County Administrator in Pinellas County Resolution No. 10-198; and

WHEREAS, new Code Inspector designations are needed; and

WHEREAS, the Board wishes to designate the job titles of employees who may operate as Code Inspectors; and

WHEREAS, the Board wishes to authorize and direct department directors under the County Administrator to determine which employees holding designated job titles actually warrant designation as Code Inspectors; and

WHEREAS, for purposes of public records, employees operating as code inspectors should be so designated in OPUS; and

WHEREAS, the Board also wishes to delegate authority to the County Administrator or his/her designee to amend job titles designated herein that are subject to internal reorganization or rebranding.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PINELLAS COUNTY, FLORIDA, AT A DULY ASSEMBLED MEETING HELD ON THIS _____ DAY OF _____ 2020, AS FOLLOWS:

Section 1. This Resolution supersedes and replaces Resolution No. 10-198. However, nothing in this Resolution supersedes or replaces anything in Resolution No. 19-98 relating to the Construction Licensing Division.

Section 2. The Board, pursuant to Section 705.1015, Fla. Stat., in Ordinance No. 06-10, codified in Section 58-271 of the Pinellas County Land Development Code previously designated “Code Inspectors of the Department of Environmental Management” to administer the provisions of Section 705, Fla. Stat. Pursuant to Section 2-64 and Appendix D of the Code, this authority rests with the Code Enforcement Division of the Building and Development Review Services Department. The designation and re-designation of job titles as code inspectors in this Resolution is not intended to expand enforcement of Section 705, Fla. Stat., beyond the designation in Appendix D and Code Enforcement Division employees holding job titles designated as Code Inspectors herein are authorized to administer the provisions of Chapter 705, Fla. Stat., to the extent permitted by Section 705.1015, Fla. Stat.

Section 3. The Board finds that employees holding the job titles listed in Appendix A, attached hereto, may have duties that entail enforcing County ordinances or assuring Code compliance. Employees holding such job titles may be designated as Code Inspectors by department directors in accordance with Section 4 below. Employees so designated are authorized to take the following actions in response to Code violations: (1) issue quasi-criminal citations pursuant to Section 125.69, Fla. Stat.; (2) issue civil citations pursuant to Section 162.03, Fla. Stat.; and (3) request quasi-judicial code enforcement hearings pursuant to Section 162.06, Fla. Stat.

Section 4. Department directors must determine which employees holding the job titles designated herein warrant designation as Code Inspectors. In order to warrant designation, an employee’s duties must entail enforcing County ordinances or assuring Code compliance. Department directors must communicate to employees whether designation is appropriate.

Department directors must also submit all designations to a designee appointed by the County Administrator. Such designee must submit designations to the Human Resources Department for inclusion in OPUS on a periodic, but no less than annual, basis.

Section 5. The County Administrator, or designee, is hereby authorized to amend Appendix A in accordance with the following:

1. Where any job title designated herein changes as a result of internal reorganization or rebranding, and the duties of at least one employee holding the new job title still entail enforcing County ordinances or assuring Code compliance, the County Administrator

- or designee may revise the designated job title to reflect the new job title, effective immediately; or
2. Should the potential duties of any job title designated herein no longer entail enforcing County ordinances or assuring Code compliance, the County Administrator or designee may strike the designated job title, effective immediately. A job titled removed pursuant to this section cannot be reinstated without action by the Board; and
 3. At least annually, the County Administrator must compile such amendments for inclusion on the Board's receipt and file report, noting all amendments and the date that each amendment became effective.

Section 6. All employees designated as Code Inspectors in accordance with Section 4 above may request that that certain personal information be exempt from public records requests pursuant to Section 119.071(4)(d)2.i., Fla. Stat. Such employees are reminded to direct exemption requests to separate agencies as appropriate.

Section 7. This Resolution is effective immediately upon its adoption.
