

CONSTRUCTION CHANGE ORDER NO. 2

PROJECT: Job Order Contracting (JOC) – Wastewater Treatment and Water Plant Maintenance, Repair, Minor Construction and Underground Utilities

PROJECT NO.: 156-0013-CP(DF)

AGREEMENT DATE: January 26, 2016

COMMENCEMENT DATE: March 3, 2016

OWNER: Pinellas County

CONTRACTOR: PCL Construction, Inc.

REASON FOR CHANGE:

The Addendum No. 2 Advisory stated that retainage would not be required for this contract. Therefore it is necessary to remove the following language in Agreement Item No. 2(B):

To pay to the Contractor the Agreement Amount herein above specified, as follows: For each Job Order eligible for partial payments, if progress satisfactory to the County is being made by the Contractor the Contractor will receive partial payments on this Agreement as work progresses, based upon estimates of the amount of Work done less payments previously made. In each case 10% of the Agreement Amount earned shall be retained until 50% of the Work is completed, and thereafter 5% of the Agreement Amount earned shall be retained until satisfactory completion and final acceptance of the Project, and final compliance by the Contractor with all terms and conditions of the Contract Documents. Neither progress payment nor partial or entire use or occupancy of the Project by the County shall constitute an acceptance of Work not in accordance with the Contract Documents. The County, prior to making of any payment, may require the Contractor to furnish a certificate or other evidence showing the amount of Work done or completed at that time.

Agreement Item No. 2(B) language shall now read as follows:

If progress satisfactory to the County is being made by the Contractor, the Contractor will receive partial payments on this contract as the work progresses, based upon estimates of the amount of work done less payments previously made. Neither progress payment nor partial or entire use or occupancy of the Project by the County shall constitute an acceptance of work not in accordance with the Contract Documents. The County, prior to making of any payment, may require the Contractor to furnish a certificate or other evidence showing the amount of work done or completed at that time.
