## Field 1

Proposal to sod cut bad and low areas of the field, supply clean dirt to fill low areas, regrade and prep for new sod.

Supply and install new Celebration roll sod and power roll.

Cost \$ 10,895.00

Cost break out

4 loads of dirt \$ 1,400.00

10,550 sq. ft. of sod, equipment & labor is \$ .90 sq. ft. \$ 9495.00

## Field 2

Proposal to fill swale and low area in field.

After shooting grades from the inside fence west end parking lot side to the other end of field eastside, there is 18" of fall which sounds like a lot, but as we discussed getting water through grass is tough. Add the other low areas that are present, this is why the field holds water.

Scope of work

Mark irrigation heads in area, sod cut and remove grass in area 40' wide x 365' long, haul debris offsite.

Rototill to breakup root layer and help percolation.

Supply clean fill dirt to fill and level swale.

Laser grade for constant grade west to east.

Supply and install new Celebration roll sod and power roll.

Cost \$ 16,740.00

Cost break out

7 loads of dirt \$ 2,600.00

Rototilling 14,600 sq. ft. \$ 1000.00

14,600 sq. ft. of sod, equipment & labor is \$.90 sq. ft. \$ 13,140.00
