1. The execution of this Agreement is unqualified, unconditional, and subject to and expressly limited by the Terms and Conditions hereon. County and the Contractor are not bound by additional provisions or provisions at variance herewith that may appear in the Contractor's quotation, acknowledgement in force, or any other communication from Contractor to or from County unless such provision is expressly set forth herein.
2. **ASSIGNMENT/SUBCONTRACTING** - The Contractor must provide the Goods required by this Agreement. No assignment or subcontracting is allowed without prior written consent of the County. In the event of a corporate acquisition and/or merger, the Contractor must provide written notice to the County, within (30) business days of Contractor's notice of such action or upon the occurrence of said action, whichever occurs first. In that event, the County may terminate this Agreement in those instances in which a corporate acquisition and/or merger represents a conflict of interest or contrary to any local, state or federal laws.
3. **ORDERS** - Within the term of this Agreement, County may place one or more orders for goods at the prices listed on the Price Schedule which is attached hereto as Exhibit A and which is incorporated by reference hereto.

Discount privilege will apply from date of scheduled delivery, the date of receipt of goods, or the date of approved invoice, whichever is later.
9. NAME CHANGES - The Contractor is responsible for immediately notifying the County of any company name change, which would cause invoicing to change from the name used at the time of the original Agreement.
10. COMPLIANCE WITH APPLICABLE LAWS - Contractor certifies that all of the products to be furnished hereunder will be manufactured or supplied by Contractor in accordance with all applicable provisions of State, Local and Federal laws, as of the date that the goods are supplied.

12. FISCAL NON-FUNDING- In the event that sufficient budgeted funds are not available for a new fiscal period, the County will notify the Contractor of such occurrence and this Agreement will terminate on the last day of the then current County fiscal period (Oct. 1 – Sept. 30) without penalty or expense to the County.
13. INDEMNITY PROVISION - Contractor must indemnify, pay the costs of defense, including attorney's fees and hold harmless the County from all suits, actions or claims of any character brought on account of any injuries or damages received or sustained by any person, persons or property, by or from said Contractor; or by or in consequence of any neglect in safeguarding the work; or through the use of unacceptable materials in the construction or improvements; or by, or on account of, any act of omission, neglect or misconduct of the said Contractor, on account of any act or amounts recovered under the "Workers Compensation Law" or of any other laws, bylaws, ordinance, order of decrees, except only such injury or damage as was occasioned by the sole negligence of the County. The first ten dollars (\$10.00) of compensation received by the Contractor represents specific consideration for this indemnification obligation.

Contractor agrees to indemnify the County and hold it harmless from and against all claims, liability, loss, damage or expense, including counsel fees, arising from or by reason of any actual or claimed trademark, patent or copyright infringement or litigation based thereon, with respect to the goods or any part thereof covered by this Agreement, and such obligation will survive acceptance of the goods and payment thereof by the County.

14. INDEPENDENT CONTRACTOR STATUS AND COMPLIANCE WITH THE IMMIGRATION REFORM AND CONTROL ACT OF 1986 - The Contractor is and will remain an independent contractor and is neither agent, employee, partner, nor joint venture of the County. Contractor acknowledges that it is responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 located at 8 U.S.C. 1324 et. seq., and regulations thereto, as either may be amended from time to time. Any materials damaged or not in first quality condition upon receipt must be exchanged within twenty-four (24) hours of notice to the Contractor at no charge to County.

18. MATERIAL SAFETY DATA - In accordance with OSHA Hazardous Communications Standards, it is the Contractor seller's duty to advise if a product is a toxic substance and to provide a Material Safety Data Sheet at time of delivery.

19. NON-EXCLUSIVE AGREEMENT - Award of this Agreement imposes no obligation on the County to utilize the Contractor for all goods of this type, which may develop during the agreement period. This is not an exclusive agreement. County specifically reserves the right to concurrently contract for similar goods if it deems such action to be in the County's best interest. In the case of multiple-term agreements, this provision applies separately to each term.

20. PURCHASE ORDER NUMBER - Each order will contain the Purchase Order Number applicable to this Agreement, and such Purchase Order Number must appear on all packing slips, invoices and all correspondence relating to the Order. In addition to all other legal remedies available to the County, the County reserves the right to terminate and obtain from another source any services which have not been provided within the period of time stated in the proposal, or if no such time is stated, within a reasonable period of time from the date of request, as determined by the County.
