Certain matters heard by the Board of County Commissioners are quasi-judicial in nature. Please note that only competent, substantial, fact-based testimony or evidence may be considered by the boards in deciding the matters before them. Pure speculation or opinion, not based on competent facts, cannot be legally considered by the boards. Lay testimony with fact-based support (including but not limited to meeting minutes, surveys, engineering reports, etc.) may be considered competent and substantial evidence. Please note county attorney's office represents and advises the boards and county staff but cannot give legal advice to the applicant or other interested parties.

Appeals of any quasi-judicial final decision must be filed within 30 calendar days of the decision. Persons are advised that, if they decide to appeal any decision made at this meeting/hearing, they will need a record of the proceedings, and, for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.
