Subject: FW: CareerSource Pinellas Board - Request for a School Board Nominee

Good morning Ms. Brackney:

At last night's school board meeting, it was decided that School Board Member Joanne Lentino, will serve as the CareerSource Pinellas representative.

Please share information with our office regarding your meeting schedule (dates, times, and location) so we can place that information on her calendar. Also, please be advised that school board members review committee assignments at the first school board workshop following our November 12th organization meeting. At that time, there is the potential for a change in assignment.

The best way to communicate with our office is either the board email board@pcsb.org or our direct phone line 727-588-6300 ext. 2.

Kim Christy and I serve the school board members and will support this effort.

Subject: CareerSource Pinellas Board - Request for a School Board Nominee

Importance: High

Dear Dr. Grego,

CareerSource Pinellas (CSPIN) is one of the 24 regional workforce development boards in Florida. CSPIN strives to foster Pinellas County's economic development and delivers workforce solutions designed to meet the needs of businesses and job seekers. The guidelines for membership composition for the CSPIN Board of Directors are provided within chapter 445 of the FL Statutes. They call for a majority (51%) of Business Representation, at least 20% of Labor/Apprenticeships Representation, Representatives of Education, Economic Development and Local Government. The CSPIN Board of Directors meets every other month for 1-2 hours.

Recently, the Pinellas Board of County Commissioners has directed that a seat on the CareerSource Pinellas Board of Directors be filled by a member of the Pinellas County School Board. In light of this new requirement, we are kindly requesting a school board member to serve on the CareerSource Pinellas Board of Directors. Once a nominee has been chosen, Pinellas County will contact the individual to begin the application process. The Board of County Commissioners hopes to approve this matter at their upcoming July 23, 2019 meeting.

If your schedule permits, maybe we could schedule a few minutes to touch base to determine the best way to proceed with this request.

Thank you for your consideration,

Jennifer Brackney
