Subject: FY16 DNA Capacity Enhancement and. Backlog Reduction Program Grant

OMB has no objection to the department submitting a grant application to the US Department of Justice, Office of Justice Program, National Institute of Justice to obtain funding to enhance the capacity of the DNA lab.

Requested funding is \$340,207 from the DNA Capacity Enhancement and Backlog Reduction (CEBR) Program over a 2 year period. A match is not required. The grant funds are proposed to be used for the salaries/benefits for 1.5 employees to perform case work, and the purchase of a replacement genetic analyzer and other required supplies.

The Department Director can sign off on this application package. Please include this email when you send a completed submittal through Granicus. The completed application will be a delegated item to be placed on the County Administrator's Delegated Authority log.

If you have any questions, please do not hesitate to contact me.

Thank you.
