Subject: RE: Grants - New Intent to Apply Form Submitted - Florida Beach Management Funding...

OMB's has no objection to the department submitting a grant application to the Florida Department of Environmental Protection (FDEP) to obtain funding for Pass-a-Grille Beach nourishment in FY21.

Requested funding is \$1M from the FDEP Beach Management Funding Assistance Program. A match of at least 50% is required. The County's proposed match is \$1M. The total project cost is \$5M. The project is not specifically identified in the County's Capital Improvement Program for FY20, but is anticipated to be included in FY21. The County's match normally comes from the tourist development tax that is dedicated for this purpose.

The Board of County Commissioner signs off on this application package. Please include this email when you send the application to be placed on the Board agenda to the Agenda Coordinator. If you have any questions, please do not hesitate to contact me.
