These are virtually the same ad with different meeting dates.

Is the ad length for 668606 actually longer than the length was for 653075?

Thank You for the Correction.

I noticed that the **ad fee** for **668606** is higher than the fee for previous Ad **653075**.

These are virtually the same ad with different meeting dates.

Is the ad length for 668606 actually longer than the length was for 653075?
