Description & Comments			
(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)			
Standard Grant Agreement with Florida Department of Environmental Protection (FDEP) for the Sand Key 6 th Nourishment Project, 001516A. Grant funding in the amount of \$27,276,254.25 to be paid to the County on a reimbursement basis and requires an equal County match. Agreement begins 01/01/2025 and expires 12/31/2029.			
Funding for this agreement is available under Sand Key 6 th Nourishment Project, 001516A, included in the Proposed FY27-FY32 Capital Improvement Plan, funded by Tourist Development Tax (TDT), a Florida Division of Emergency Management grant, and this FDEP grant in the Capital Fund.			
- Sand Key 6th Nourishment Project, 001516A, was fully funded by TDT in the FY26-FY31 CIP. The FDEP grant will offset TDT funding. - Project construction began in FY25 and completed in FY26. \$5,000,000 of the FDEP grant award will reimburse FY25 expenditures. - Total State appropriation for this project is \$43,311,521, however, 161.101(19) F.S. requires FDEP to hold back 25% of the FY2026-27 legislative appropriation until their 4th quarter. FDEP will prepare an amendment to add \$16,035,266.75 to agreement 27PI1 around 04/01/2027.
