Interests & Experiences

State your background, including your education, work experience, civic or community organization memberships and positions, and any professional licenses or memberships, and explain how this applies to the function of the board, council or committee.

I graduated from the University of South Florida in 2019 with a Bachelor's Degree in Public Relations. I have worked in the hospitality industry since 2010. My experience started as a line level employee and I worked my way up to becoming a food and beverage director and task force director for a hotel hospitality company. It was my job to fly to different hotels in the U.S. that were failing, and help turn their operations around to be profit forward. In 2022, I became a business owner alongside my husband of Reefers Social Club Clearwater Beach. We then purchased Clearwater Brewing Company in 2024 and re-opened August 14th of this year. We are a young family with our roots here in Clearwater and we pride ourselves on bringing good to our community through our businesses. As a CRA grant recipient for the brewery, I feel that helps me to bring knowledge to the board on the experience as a recipient. In addition, I completed 50 hours of volunteer work at Artz 4 Life- a grassroots non-profit organization in the North Greenwood District. This strengthened my connection to the North Greenwood District and those that live in our community. As a business owner with a diverse background, I will be able to utilize my knowledge on how to make this district profitable and help guide the CRA on continuing to better develop this area.

I am the owner of Let's Go Carting, a locally owned golf cart dealership and rental business located within the CRA. Since founding the company in 2022 with just four carts, I have grown it to over 60 vehicles, expanded into sales and service, and created jobs for eight employees. I am an active member of the Dunedin and Clearwater Chambers of Commerce and have been engaged in local youth sports as a volunteer coach and board member. These experiences have given me a strong understanding of the needs of both businesses and residents in our community, and I am committed to helping the North Greenwood CRA thrive.
