Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This item is for the Approval of the construction agreement with CSX Transportation, Inc. (CSXT) for the 46th Avenue North Railroad Reconstruction Project.

- The purpose of this project is to upgrade the existing asphalt crossing surface with a tub-platform. The installation of the tub-platform will allow for roadway improvements. These improvements include: striping, resurfacing, milling and the installation of sidewalks on both side of the right of roadway. This roadway falls within the CSXT right of way along 46th Avenue North.
- Work on CSXT property is to be completed no later than March 31, 2025, unless otherwise extended by both parties.
- Pinellas County will reimburse CSXT for any costs incurred as a result of the project. CSXT currently estimates its reimbursable expenses to be \$413,297.00. Should CSXT expenses exceed the original estimate, CSXT is to provide the County with a revised estimate.

Funding for subproject 46th Ave Railroad Crossing Improvements (Project 004678A) is budgeted under the Railroad Crossing Program PIV (Project 004189A), funded by the Penny for Pinellas. Total available funding is the amount of the full project allocation as represented in the approved budget. Available funding in excess of the recommended not-to-exceed amount is available for other project costs. In the event that future fiscal year funding is not available for this project, the County maintains the authority to terminate this agreement.
