- i) In the event that HUD determines that AGENCY has not fulfilled its obligations in accordance with the requirements applicable to the grant and/or requests reimbursement of expenses paid under this AGREEMENT, AGENCY shall provide said reimbursement from non-federal sources within ten (10) days of said notice from COUNTY.

COUNTY may also give AGENCY a reasonable opportunity to cure the default; reasonableness shall be determined by COUNTY and shall be based upon the nature and extent of the default.

9. TERMINATION

- a) Termination for cause. This AGREEMENT may be terminated by COUNTY for cause in accordance with Sections 8 and 9 herein.

The failure of the COUNTY to exercise or enforce any right or provision will not constitute a waiver of such right or provision. A waiver by one party of the other party's performance shall not constitute a waiver of any subsequent performance required by such other party. In accordance with the requirements of 24 CFR 91.220(l)(4)(i) and 576.400(e)(1) and (e)(3), Pinellas County has developed the following written standards for the provision of Emergency Solutions Grant (ESG) funding.

Pinellas County is awarded ESG funds annually from the U.S. Department of Housing and Urban Development as a part of the Annual Action Plan Process. ESG funds are designed to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness, and provide the services necessary to help those persons quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

Pinellas County will focus on six of the eligible components under the ESG Program: Street Outreach, Emergency Shelter, Rapid Re-Housing, Homelessness Prevention, Data Collection (Homeless Management Information System (HMIS)) and Administration. Pinellas County will identify which eligible components will be funded each year, based on need, in the Annual Action Plan.

ESG funds will be used to address the needs of the individuals and families and decrease the number of homeless and at-risk households who need emergency assistance. The goals are to: 1) improve the number and quality of emergency shelters for homeless individuals and families, help operate emergency shelters, and provide essential services to residents of emergency shelters; 2) prevent individuals and families from becoming homeless by assisting households at-risk of homelessness remain in their housing; 3) rapidly re-house homeless individuals and families living in emergency shelters or uninhabitable places move into stable housing; and 4) provide case management to increase the likelihood of housing stability.

There will be coordination among emergency shelter providers, essential services providers, homelessness prevention and rapid re-housing assistance providers, and other homeless assistance providers to maximize the use of the ESG funding and ensure that there is a coordinated and centralized effort to reach individuals and families in need.

For rapid re-housing, homelessness prevention, and HMIS components of the ESG Program, staff will outreach to various non-profit agencies to provide an awareness of the available funding and opportunity to apply to administer each component. Applications received will be reviewed and scored by County staff based on 1) capacity and related experience to perform the technical functions of each component, including methods of complying with the Federal requirements pertaining to income requirements, property inspections, and rent reasonableness; 2) ability to provide comprehensive case management services and thoroughly analyze the situation of the applicant and their compatibility with the structure of the program; 3) past experience and current capacity of lead agency (if applicable) and/or collaborating agencies to coordinate service delivery, collect and use client data, and knowledge and compliance with Federal regulations; and 4) comprehensiveness of the ancillary support services and referral resources that include broad participation of service providers. Selected agencies (ESG Provider) will contract with the County for funding. ESG Providers will provide housing relocation and stabilization services, including financial assistance, housing search and placement activities and housing stability case management, and determine participant eligibility for the program. ESG Providers will determine the type and amount of assistance being provided as determined by participant needs assessment. All documentation will be submitted to the County for final approval and reimbursement of funds. Additionally, in order to ensure timely expenditure of funds, County may choose at any time to administer the rapid re-housing, homelessness prevention and HMIS components of the ESG Program using County staff.

For the street outreach and emergency shelter components of the ESG Program, staff will seek applications from homeless service providers through an annual competitive application cycle. Applications received from eligible homeless service providers will be reviewed and ESG-eligible street outreach, essential service, shelter operation or shelter renovation activities will be selected for funding based on the County's identified needs and Continuum of Care's homeless delivery system. GENERAL STANDARDS

Coordinated Entry System

ESG funded recipients, with the exception of victim service providers, shall use the coordinated entry system established by the Continuum of Care. Victim service providers may choose not to use the coordinated entry system; however, victim service providers are required to use a centralized or coordinated assessment system that meets HUD's minimum requirements.

The CoC has determined that the VI-SPDAT (Vulnerability Index – Service Priority Decision Assessment Tools) will be the standardized assessment tool for Pinellas County. The VI-SPDAT tool must be used by ESG funded Rapid Re-housing providers to determine the appropriate intervention to address the episode of homelessness and the prioritization of individuals and families for assistance based on the severity of their service needs and the length of time homeless. Clients can choose a less intensive housing intervention in collaboration with case management.

The VI-SPDAT is required to be conducted upon intake into: Emergency Shelter, Transitional Housing, Rapid Rehousing and Permanent Supportive Housing. Outreach workers shall conduct a VI-SPDAT on homeless persons

engaged. Providers conducting the VI-SPDAT assessment are required to enter that information into HMIS. Ongoing training and support will be provided to all CoC and ESG funded providers in the assessment, prioritization and placement process.

The County is currently working with the CoC to finalize a Homelessness Prevention Coordinated Assessment process to be used as a standardized assessment tool for homelessness prevention programs in Pinellas County. ADDENDUM #1
ESG-CV Written Standards
Effective Date: October 1, 2020

A. Waivers and Limitations Under ESG-CV Regulations

As part of the ESG-CV Notice released on September 1, 2020, U.S. Housing and Urban Development (HUD) is allowing jurisdictions to incorporate waivers into the operation of eligible activities funded by ESG-CV resources, as well as standard FY 2020 ESG funds dedicated to COVID-19. As part of the development of the ESG-CV Written Standards, this addendum cites and incorporates each waiver and alternative requirements that apply to the Pinellas County ESG-CV Program.

1. **Eligibility for Homelessness Prevention Assistance** - The requirements at 24 CFR 576.103 provide that individuals or families who meet the criteria in paragraph (2), (3), or (4) of the “homeless” definition in 24 CFR 576.2 and have an annual income below 30 percent of median family income for the area, as determined by HUD, are eligible for homelessness prevention assistance is waived; an alternative requirement is established where individuals and families who meet the criteria in paragraph (2), (3), or (4) of the “homeless” definition and have an annual income that does not exceed the Very Low Income Limit for the area as established by HUD for HUD’s Section 8 and Public Housing Programs at Income Limits |HUD USER, (50%), are eligible for homelessness prevention assistance. This alternative requirement will ease administrative burden for recipients and subrecipients by establishing a single income limit for households qualifying for homelessness prevention assistance and assist more households to maintain housing and prevent homelessness which is necessary to prevent the spread of coronavirus.
 - Start Date – October 1, 2020
 - End Date – September 30, 2022

2. **Emergency Shelters** – This addendum specifically refers to funds used for the costs of providing emergency shelter during the period the subrecipient began preventing, preparing for, and responding to coronavirus and has been extended to end on January 31, 2022. This requirement has been lifted by CPD Notice 21-08. This alternative requirement will ensure that ESG-CV funds are used efficiently to provide more individuals and families with assistance needed to prevent, prepare for, and respond to coronavirus.
 - Start Date – October 1, 2020
 - End Date – September 30, 2022

3. **Short-Term and Medium-Term Rental Assistance** – Medium-rent previously defined as “for more than 3 months but not more than 24 months of rent” is waived and an alternative requirement established defining medium-term as more than 3 months but not more than 24 months. This alternative requirement allows more households to receive rapid re- housing and homelessness prevention assistance, which is necessary to prevent, prepare for, and respond to coronavirus.
 - Start Date – October 1, 2020
 - End Date – September 30, 2022

4. **Fair Market Rents (FMR)** - The requirement prohibiting rental assistance where the rent for the unit exceeds the Fair Market Rent established by HUD, is waived; so long as the rent complies with HUD’s standards of rent reasonableness, as established under 24 CFR 982.507. Waiving this requirement allows recipients to help program participants move quickly into housing or retain their existing housing, which is especially critical at reducing the spread of coronavirus and responding to coronavirus.

- Start Date – October 1, 2020
 - End Date – September 30, 2022
5. **Minimum Standards for Permanent Housing** - Recipients or subrecipients cannot use ESG funds to help program participants remain in or move into housing that does not meet minimum habitability standards provided at 24 CFR 576.403(c). For recipients who choose to serve individuals and families made eligible for Rapid Rehousing (RRH) assistance, the requirements at 24 CFR 576.403(c) are waived and the ESG-CV recipient or subrecipient can provide rental assistance and housing relocation and stabilization services without first inspecting the unit so long as:
- a. The recipient or subrecipient maintains documentation showing the prior rental assistance provider determined that the housing meets:
 - i. The habitability standards established at 24 CFR 576.403(c); or
 - ii. Housing Quality Standards (HQS) established at 24 CFR 982.401; or
 - b. The recipient or subrecipient provides no more than 90 days of RRH assistance to the program participant or
 - c. The recipient or subrecipient conducts an inspection within the first 90 days and determines the housing meets the habitability standards established at 24 CFR 576.403(c) or the HQS established at 24 CFR 982.401.
- Start Date – October 1, 2020
 - End Date – September 30, 2022
6. **Housing Stability Case Management** - HUD is waiving the 30-day limit established in 24 CFR 576.105(b)(2) to the extent necessary to allow recipients or subrecipients to provide up to 60 days of housing stability case management while the program participant is seeking housing.
- Start Date – October 1, 2020
 - End Date – September 30, 2022
7. **Administrative Costs** - As permitted by the CARES Act, the Pinellas County will use up to 10 percent of its total ESG-CV grant for administrative costs.
- Start Date – October 1, 2020
 - End Date – September 30, 2022
8. **No Cap for Emergency Shelter and Street Outreach** - Funds will be used for emergency shelter and street outreach activities without regard to the spending cap established by section 415(b) of the McKinney-Vento Act and 24 CFR Part 576.100(b). The same flexibility applies to using ESG-CV funds to establish and operate temporary emergency shelters.
9. **Hotel/Motel Costs** – Funds will continue to be utilized to provide hotel or motel vouchers for homeless individuals and families where no appropriate emergency shelter is available. However, the limitations on eligible activities provided in section 415(a) of the McKinney-Vento Act and 24 CFR part 576, subpart B are waived and ESG-CV funds may be used for the following hotel or motel costs for individuals and families experiencing homelessness who are –

Effective Date: January 1, 2025

The U.S. Housing and Urban Development (HUD) is allowing jurisdictions to incorporate waivers into the operation of eligible ESG activities. This amendment to the ESG Written Standards cites and incorporates each waiver and alternative requirement that applies to the Pinellas County ESG Program through HUD’s approved MEGA Waivers date December 20, 2024, for hurricanes Helene and Milton.

1. ESG-Term Limits on Rental Assistance and Housing Relocation and Stabilization Services

The 24-month limits on rental assistance and housing relocation and stabilization services are waived for individuals and families who meet both of the following criteria:

- a. The individual or family lives in a declared-disaster area or was displaced from a declared-disaster area as a result of the disaster; and
- b. The individual or family is currently receiving rental assistance or housing relocation stabilization services or begins receiving rental assistance or housing relocation and stabilization services within two years, beginning January 1, 2025.

For these individuals and families, ESG funds may be used to provide up to 36 consecutive months of rental assistance and housing relocation and stabilization services, in addition to the 30 days of housing stability case management that may be provided before the move into permanent housing under 24 CFR 576.105(b)(2).

This waiver may be used for program participants affected by the disaster, even if they are residing outside the disaster area.

- Start Date – January 1, 2025
- End Date – December 31, 2026

2. ESG - Restriction of Rental Assistance to Units with Rent at or Below Fair Market Rent (FMR)

The FMR restriction is waived for any rent amount that takes effect during the two-year period beginning January 1, 2025. Units in which ESG assistance is provided must still meet the rent reasonableness standard.

This waiver may be used for program participants affected by the disaster, even if they are residing outside the disaster area.

- Start Date – January 1, 2025
- End Date – December 31, 2026

3. ESG - Housing Standards

ESG housing standards at 24 CFR 576.403(c) are waived for units in the declared disaster area that are or will be occupied by individuals or families eligible for ESG Rapid Rehousing or Homelessness Prevention assistance provided that:

- a. Each unit must still meet applicable state and local standards;
- b. Each unit must be free of life-threatening conditions as defined in Notice PIH 2017-20 (HA); and
- c. All units in which program participants are assisted must meet the ESG housing standards within 60 days of January 1, 2025.

ADDENDUM #4**ESG-RUSH Written Standards****Effective Date: January 28, 2025****A. Waivers and Limitations Under ESG RUSH Regulations**

As part of the ESG-RUSH Notice released on July 18, 2024, U.S. Housing and Urban Development (HUD) is allowing jurisdictions to incorporate waivers into the operation of eligible activities funded by ESG-RUSH resources. As part of the development of the ESG-RUSH Written Standards, this addendum cites and incorporates each waiver and alternative requirements that apply to the Pinellas County ESG-RUSH Program.

1. **Program Participant Eligibility for ESG-RUSH** – To be eligible for assistance provided with RUSH funds, an individual or family must:

- (1) be “homeless” or “at-risk of homelessness” as those terms are defined at 24 CFR 576.2 or meet the new criteria in section 103(b) of the McKinney-Vento Homeless Assistance Act;
- (2) have been residing in a declared disaster area; and
- (3) have needs that will not be served or fully met by the TSA Program (42 U.S.C. 5170b), NCS, or and other existing Federal disaster relief programs.

A household will not be required to requalify as homeless or at risk of homelessness for purposes of RUSH funds if the household was already determined to meet the definition of homeless or at risk of homelessness and was receiving ESG assistance when the disaster occurred.

RUSH grants are not subject to the requirements for “serving youth who lack 3rd party documentation or live in unsafe situations” that HUD typically includes in its grant agreements for annual ESG grants, because those requirements apply only to grants made under the “homeless assistance grants” heading of the annual appropriations act for HUD

2. **Suspension of Requirements** – Consultation, Citizen Participation, and Matching requirements:

CoC consultation requirements in section 413(b) of the McKinney-Vento Act and 24 CFR 576.400(a):

- (1) Initial allocation of RUSH funds: Suspended provided that County publishes how it will use its allocation, at a minimum, on the County’s website or through electronic media.
- (2) Second allocation of RUSH funds: Required.

Consultation and citizen participations requirements under sections 105(e) and 107 of the Cranston-Gonzalez National Affordable Housing Act and 24 CFR 91.110, and 91.115:

- (1) Initial allocation of RUSH funds: Suspended, provided that the County publishes how it will use its allocation, at a minimum, on the County’s website or through electronic media.
- (2) Second allocation of RUSH funds: In person or remote consultation is required; citizen participation is required with a 5-day public comment period, reduced from the otherwise applicable 30-day public comment period. The public hearing may be in person or remote.

ESG Match requirements in section 416(a) of the McKinney-Vento Act and 24 CFR 576.201:

- (1) Initial allocation of RUSH funds: Suspended.
- (2) Second allocation of RUSH funds: Suspended.
