WHEREAS, the County has distributed copies of the Interlocal Agreement to all municipalities adjacent to the Clearwater Planning Area created under this Agreement for their review and comment;

NOW, THEREFORE, in consideration of the covenants made by each party to the other and of the mutual advantages to be realized by the parties hereto, the County and the City agree as follows:

Section 1. Authority. This Interlocal Agreement is entered into pursuant to the general authority of Section 163.01, Florida Statutes, relating to interlocal agreements, and the specific authority of Section 163.3171(3), Florida Statutes.

Section 2. Term. The initial term of this Interlocal Agreement shall be the date hereof through September 30, 1992. Thereafter, unless sooner terminated, the term shall be automatically extended for successive one year terms beginning on October 1 and ending on September 30 of the following year, with the last such automatic extension ending on September 30, 2000.

Section 3. Clearwater Planning Area Created. The area within Pinellas County which is described in Exhibit A and depicted in Exhibit B hereto, consisting generally of certain lands lying outside the corporate limits of this City is hereby designated as the Clearwater Planning Area.

Section 4. Planning Authority for Clearwater Planning Area; Procedures.

(a) The County shall have full authority for the preparation and adoption of the Comprehensive Plan and any amendments thereto pursuant to the Planning Act, and for the adoption, amendment and enforcement of land development regulations thereunder, for all parcels of property within the Clearwater Planning Area lying outside the corporate limits of the City unless and until such parcel is annexed by the City.

(b) The City, in preparing and adopting its comprehensive plan for the development of land within the City, and any amendments thereto, may include the Clearwater Planning Area within the City's plan in order to advise both the County and the owners of parcels of property therein of the long-range planning objectives of the City. However, the City acknowledges that the inclusion in the City's plan of parcels of property within the Clearwater Planning Area which lie outside the corporate limits of the City shall not be binding on the County or the property owners prior to such annexation of such parcels by the City.

(c) Any affected person within the Clearwater Planning Area shall have standing to participate in any administrative, legislative, quasi-judicial or judicial proceeding in which the adoption or effect of the City's comprehensive plan or any amendment thereto upon the affected person's property is an issue, and may challenge the adoption of the plan or any amendment thereto, to the same extent that the affected person would have standing if the property were included within the boundaries of the City. For the purpose of this sub-paragraph, "affected person" includes the owner of the property and any person residing upon it or owning or operating a business thereon, and shall be synonymous with the "affected person" as defined by Section 163.3184(1)(a), Florida Statutes (1987), as the same may be amended from time to time.

(d) In the event that an owner of property within the Clearwater Planning Area applies to the City for voluntary annexation of the property, the owner may assent to the City's comprehensive plan as it applies to the property if the City's comprehensive plan provides for intensity of use or density which is equal to or less than the County's

comprehensive plan as determined by the Pinellas County Local Planning Agency, in which case the City's comprehensive plan shall take effect as to the property at the time of annexation and any subsequent public hearing and final plan amendment action for the property that may be required, including but not limited to any required amendments to the Countywide Future Land Use Plan.

(e) If the contingencies of sub-section (d) of this Section 4 are not met, with regard to the owners assent or the determination by the local planning agency, a land-use designation will be established for the newly annexed property pursuant to the provisions of Chapter 163.3184, Florida Statutes and Chapter 73-594, Laws of Florida, as amended.

(f) Property in the Clearwater Planning Area shall become subject to the planning authority of the City upon the effective date of annexation by the City as provided by Section 171.062, Florida Statutes (1987), or successor provisions thereto.

Section 5. Notice. Notice by either party to the other pursuant to this Interlocal Agreement shall be given in writing and hand-delivered or mailed as follows:

Clearwater, FL 34616

if to the City: City Manager

Section 6. Construction. This Interlocal Agreement shall be construed as an expression of inter-agency cooperation enabling each party to make the most efficient use of its powers in furtherance of the

objectives of the Planning Act. However, this Interlocal Agreement shall not be construed as delegating or authorizing the delegation of the constitutional or statutory duties of either party to the other.

Section 7. Termination. Either party may terminate this Interlocal Agreement upon 30 days notice to the other.

Section 8. Filing; effective date. As required by Section 163.01(11), Florida Statutes, this Interlocal Agreement shall be filed with the Clerk of the Circuit Court of Pinellas County, after execution by the parties, and shall take effect upon the date of filing.
