Description & Comments
(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)
<p>This item revises the existing guidelines for the county's Capital Projects Funding Program, which is managed and funded through CVB. This program provides funding using Tourist Development Tax revenue to capital projects throughout the county that draw visitors that fill county rooms and provide significant economic benefit to the county.</p> <p>The revisions to the guidelines have no fiscal impact to Pinellas County. Any project that would be eligible for these funds would need to apply according to the program guidelines and be approved by the BCC before funds could be appropriated in a future budget.</p>
