Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

County Administration is requesting approval of the Community Development Block Grant - Disaster Recovery (CDBG-DR) Citizen Participation Plan (CPP).

- The CPP is a required plan developed by the County to access CDBG-DR grant funds.
- The CPP sets forth the policies and procedures for how citizens will be informed and engaged throughout the development of the CDBG-DR Action Plan and any substantial amendments.
- The CPP provides a streamlined process and ensures disaster recovery grants are awarded in a timely manner with respect to citizen participation requirements.
- The CPP was posted on the County's disaster recovery website for a 15-day comment period.
- Approval of this plan, by itself, does not have a fiscal impact on Pinellas County. The Community Development Block Grant - Disaster Recovery (CDBG-DR) will have a total amount of \$813,783,000.00 budgeted over multiple fiscal years.

Funding is budgeted in FY25 in the Business Technology Services Fund.
