Mask Mandate	I am strongly in favor of keeping the mask mandate in Pinellas County for the duration, especially as coronavirus cases are on the rise.	Nan Morelli White	904 Kingscote Ct	Safety Harbor	34695	727-238-3181	drnanw@earthlink.net	10/2/2020 19:53

Thank you!	Hello Commissioner, I wanted to take a moment to thank you for implementing (& continuing to support) the mask ordinance in Pinellas County. Your actions saved lives & dramatically slowed the spread of Covid-19! Until we have a cure or vaccine, face coverings are our most valuable tool in the prevention of COVID19. I shudder to think of the potentially catastrophic results of repealing this protective measure. Again, I thank you for protecting the citizens of Pinellas County. Mask Mandate Extention??	Hello, I know Pinellas County created a mask mandate to be in effect until October 1, but since we're past that date I would like to know what is the policy in Pinellas County now. Just for the record, in my opinion, I believe the mask mandate should still be in effect. It's a great way for people to stay safe. Mask ordinance	Please do not vote to discontinue the mask ordinance. This is especially critical now with the governors risky reopening plans.	Simone Calhoun	4380 Osprey Dr S	Saint Petersburg	33711	7278663682	simonecalhoun@ymail.com	10/2/2020 9:28

Masks	<p>Good morning, Now, things have hopefully gotten real for not just our beautiful county, but our entire country. In the light of our President and First Lady testing positive for Covid-19, I am now urging you to keep the mask mandate in place for our public safety. I am praying for our President and all who may be affected during this most difficult time for our nation.</p> <p>Please wear your masks, continue to social distance and remain safe.</p> <p>Thank you for all of your continued and seemingly endless hard work, especially during this pandemic.</p> <p>Sincerely, Jeannine Colbert</p>	Jeannine Colbert		St. Petersburg			NeNe1298@aol.com	10/2/2020 9:10
Mask Ordinance	<p>Has the mask ordinance been extended past October 2nd?</p> <p>There are many snowbirds in our community that are asking me if they should make plans to come to Pinellas County for the winter. Without a mask ordinance, many snowbirds will not feel safe in our area.</p> <p>I have heard from many that they will stay up north until we do a better job of controlling the virus in our area.</p> <p>My friends see on tv that bars and restaurants in Clearwater and Tampa area allowing customers to come in without masks and it is business as usual. Therefore, the virus will be spread to many. They have much stricter guidelines up north.</p> <p>Thank you for all you do to protect us all, Maureen Collins Tarpon Springs</p>	maureen collins	1004 Blue Heron Way	Tarpon Springs	34689	7274309847	dobermanmo@aol.com	10/2/2020 3:55
