### Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This Specific Operating Agreement allows Pinellas County as an approved Local Air Program to act on DEP's behalf to perform Title V Program activities as outlined in the agreement from the date of execution through August 31, 2021. This specific agreement does not award any funds, however, as an approved local air program, Pinellas County is eligible to receive a portion of State Tag Fee funds pursuant to Section §320.03(6). In addition, Pinellas County is eligible to receive federal grant funds from EPA through 42 USC Section 7403 (103 Grant) and 42 USC Section 7405 (105 grant). This amendment is an extension of previous years' agreements. Pinellas County will continue to operate the Air Quality Division, with funding received from the state through the vehicle tag fee, Title V grant, and other state and federal grants. The expenditures and associated revenue for these programs are consistent with the FY18 and FY19 budgets.
