Description & Comments			
The original agreement was entered into between the Florida Department of Economic Opportunity Pinellas County effective 10/4/21 (Granicus 21-1722A). Funded by HUD's Community Development Block Grant-Mitigation (CDBG-MIT) program, it allocated \$992,000 to develop a countywide flood mitigation action plan aimed at enhancing flood resilience for Pinellas County's 1 million residents across 24 municipalities.			
Amendment 2 is a time only extension. It extends the agreement period 12 months to 10/4/2026. It also renames of Department of Economic Opportunity to the Florida Department of Commerce effective July 1, 2023, and replaces all references accordingly.			
*There is no fiscal impact associated with this amendment. The FY26 Adopted Budget has \$121,950.00 appropriated for the remaining work associated with the FMAP.
