OMB has no objection to the department submitting a grant application to the US Department of Health and Human Services, Substance Abuse and Mental Health Services Administration to obtain funding to increase capacity of services. The County plans to partner with Personal Enrichment for Mental Health Services, Directions for Living, the Public Defender's Office and the Florida Department of Health in Pinellas County.

Requested funding is \$975,000 from the Assisted Outpatient Treatment Grant Program for Individuals with Serious Mental Health Illness. No match is required.

The Board of County Commissioners signs off on this application. Please include this email when you send a completed submittal through Granicus for contract review and Board Agenda.

If you have any questions, please do not hesitate to contact me.

Thank you.

<b>OPUS Project Title:</b>	Assisted Outpatient Treatment
<b>Duration:</b>	Single Year
<b>Proposed Abstract (Project Scope of Work):</b>	<p>Pinellas County, FL is seeking to increase capacity of services and evidence based mental health services to approximately 100 individuals who have a serious mental illness (SMI) and have been court-ordered to receive treatment services. The County will partner with the County's designated public receiving facility, Personal Enrichment for Mental Health Services (PEMHS), a behavioral health treatment provider Directions for Living, the Public Defender's office, and the Florida Department of Health for coordinated referral, treatment and supportive services. By assisting clients' with discharge planning following assessment and evaluation the County will provide a stable foundation to receive treatment for the client's mental health disorders. If awarded, these individuals will receive coordinated behavioral health services in a timely manner, reduce their chance for readmission or arrest, and benefit from a full array of services to ensure successful treatment outcomes.</p> <p>Project Name: Pinellas County Assisted Outpatient Treatment Program</p> <p>Population Served: The population of focus is primarily male/female adults in Pinellas County, Florida, who have a serious mental illness (SMI) and have been court-ordered to treatment. Serious mental illness includes those with a diagnosis of schizophrenia, major depressive disorder, bipolar disorder, psychotic disorders, delusional disorder, and/or obsessive-compulsive disorder. Individuals with SMI have higher rates of cardiovascular disease, diabetes, and hypertension, which negatively affect their quality of life and life expectancy. In addition, the symptoms associated with SMI often impair therapeutic compliance and self-care, resulting in higher rates of morbidity and mortality.</p> <p>Project Goals/Measurable Objectives: Pinellas County's goals are to 1) reduce Baker Act re-admission rates among this population; 2) reduce interactions with law enforcement due to non-compliance with court orders, 3) improve integration with primary medical care and preventive health services; and 4) integrate key community programs including the jail diversion program with the courts, Public Defender's office, public receiving facilities and treatment providers.</p> <p>The County anticipates serving 100 clients/year or 400 over the lifetime of the grant.</p> <p>Strategies/Interventions: The County, through its contracted provider organizations will utilize the following Evidence Based Practices to meet the Program's Goals and Objectives:</p> <ul style="list-style-type: none"> <li>• Technology Assisted Care</li> <li>• Biopsychosocial Assessment</li> <li>• Cognitive-Behavioral Therapy (CBT)</li> <li>• Seeking Safety</li> <li>• Motivational Interviewing (MI)</li> </ul>
<b>Benefit Summary (How will this benefit the County, Dept, etc?):</b>	Pinellas County, FL is seeking to increase capacity of services and evidence based mental health services to approximately 100 individuals who have a serious mental illness (SMI) and have been court-ordered to receive treatment services. The County will partner with the County's designated public receiving
