Good Afternoon,

The subject CIGP Agreement is currently in the contract review process with the County. Section 4(B) of the Agreement contains language that requires the County to indemnify FDOT. As outlined in County Resolution 06-70, also attached, the County does not indemnify other parties under most circumstances and is required to request that any such indemnity language be removed. Please confirm whether FDOT will remove the indemnity reference in Section 4(B) of the Agreement.

Thanks

Thom
