Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

Housing and Community Development (HCD) is seeking the adoption of a resolution allowing the Housing Finance Authority (HFA) to authorize a public hearing in connection to the refinancing of a multifamily residential rental housing project through the reissuance of its Multifamily Housing Revenue Bonds in a principal amount not to exceed \$10.7M for the benefit of Seminole Square Partners, LLC, (borrower/developer), or its affiliates, duly organized and existing under the laws of the State of Florida.

There is no fiscal impact to the County General Fund. All lendable funds are generated from the sale of tax-exempt housing bonds through the HFA and the sale of 4.0% low-income housing tax credits from the Florida Housing Finance Corporation. The other sources of funding for the project included SHIP funding from the City of Largo, Penny for Pinellas funds (both Land Assembly and Workforce Housing) from the County and the St. Petersburg Housing Authority has allocated 45 Project-Based Section 8 Vouchers to the development.

The HFA is a dependent special district of the County. Conduit financings pledge neither the district nor the County's credit, and neither are responsible for payment of the debt except from funds received from the borrower (in this case the developer).
