A near perfect rose. Its classically shaped, old-fashioned rose blooms are a lovely, soft pink, which is perfect for this delicate, cup-shaped beauty. One of the most outstanding of the English Roses. Its medium sized 3 1/2" blooms (petals 30) are true perfection in form and fragrance, which has a strong heady fragrance with a touch of lemon. A vigorous, bushy plant with few thorns. Excellent repeat blooming characteristics. Performs well in partial shade and makes a great cut flower.
