Depending on the COUNTY'S assessment of risk of performance by AGENCY, additional requirements may be imposed on the AGENCY, including training, technical assistance, desktop and on-site reviews.

Substandard performance as determined by the COUNTY will constitute noncompliance with this AGREEMENT.

3. TERM OF AGREEMENT; EFFECTIVE DATE

This AGREEMENT shall become valid and binding upon proper execution by the parties hereto, and unless terminated pursuant to the terms herein, shall continue in full force and effect until **August 31, 2022**, or until COUNTY'S full and complete disbursement of the ESG-CV and ESG-CV2 funding, whichever comes first. - e) If AGENCY receives notification from a third-party funding source of an offer for additional funding to complete the PROJECT, AGENCY shall notify COUNTY in writing within thirty (30) days of receiving notification and submit a cost allocation plan for approval by COUNTY within forty-five (45) days of said notification. Should AGENCY collect any third-party payments for eligible activities for which COUNTY has reimbursed AGENCY, AGENCY shall reimburse COUNTY up to the total amount reimbursed by COUNTY.

- l) In the event that HUD determines that AGENCY has not fulfilled its obligations in accordance with the requirements applicable to the grant and/or requests reimbursement of expenses paid under this AGREEMENT, AGENCY shall provide said reimbursement from non-federal sources within ten (10) days of said notice from COUNTY.

**Written Standards for Provision of
Emergency Solutions Grant (ESG)**

Pinellas County Housing and Community Development Department
440 Court Street, 2nd Floor
Clearwater, Florida 33756
727-464-8210

In accordance with the requirements of 24 CFR 91.220(l)(4)(i) and 576.400(e)(1) and (e)(3), Pinellas County has developed the following written standards for the provision of Emergency Solutions Grant (ESG) funding.

Pinellas County is awarded ESG funds annually from the U.S. Department of Housing and Urban Development as a part of the Annual Action Plan Process. ESG funds are designed to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness, and provide the services necessary to help those persons quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

Pinellas County will focus on six of the eligible components under the ESG Program: Street Outreach, Emergency Shelter, Rapid Re-Housing, Homelessness Prevention, Data Collection (Homeless Management Information System (HMIS)) and Administration. Pinellas County will identify which eligible components will be funded each year, based on need, in the Annual Action Plan.

ESG funds will be used to address the needs of the individuals and families and decrease the number of homeless and at-risk households who need emergency assistance. The goals are to: 1) improve the number and quality of emergency shelters for homeless individuals and families, help operate emergency shelters, and provide essential services to residents of emergency shelters; 2) prevent individuals and families from becoming homeless by assisting households at-risk of homelessness remain in their housing; 3) rapidly re-house homeless individuals and families living in emergency shelters or uninhabitable places move into stable housing; and 4) provide case management to increase the likelihood of housing stability.

There will be coordination among emergency shelter providers, essential services providers, homelessness prevention and rapid re-housing assistance providers, and other homeless assistance providers to maximize the use of the ESG funding and ensure that there is a coordinated and centralized effort to reach individuals and families in need.

For rapid re-housing, homelessness prevention, and HMIS components of the ESG Program, staff will outreach to various non-profit agencies to provide an awareness of the available funding and opportunity to apply to administer each component. . Applications received will be reviewed and scored by County staff based on 1) capacity and related experience to perform the technical functions of each component, including methods of complying the Federal requirements pertaining to income requirements, property inspections, and rent reasonableness; 2) ability to provide comprehensive case management services and thoroughly analyze the situation of the applicant and their compatibility with the structure of the program; 3) past experience and current capacity of lead agency (if applicable) and/or collaborating agencies to coordinate service delivery, collect and use client data, and knowledge and compliance with Federal regulations; and 4) comprehensiveness of the ancillary support services and referral resources that include broad participation of service providers. Selected agencies (ESG Provider) will contract with the County for funding. ESG Providers will provide housing relocation and stabilization services, including financial assistance, housing search and placement activities and housing stability case management, and determine participant eligibility for the program. ESG Providers will determine the type and amount of assistance being provided as determined by participant needs assessment. All documentation will be submitted to the County for final approval and reimbursement of funds. Additionally, in order to ensure timely expenditure of funds, County may choose at any time to administer the rapid re-housing, homelessness prevention and HMIS components of the ESG Program using County staff.

For the street outreach and emergency shelter components of the ESG Program, staff will seek applications from homeless service providers through an annual competitive application cycle. Applications received from eligible homeless service providers will be reviewed and ESG-eligible street outreach, essential service, shelter operation or shelter renovation activities will be selected for funding based on the County's identified needs and Continuum

GENERAL STANDARDS

Coordinated Entry System

ESG funded recipients, with the exception of victim service providers, shall use the coordinated entry system established by the Continuum of Care. Victim service providers may choose not to use the coordinated entry system; however, victim service providers are required to use a centralized or coordinated assessment system that meets HUD's minimum requirements.

The CoC has determined that the VI-SPDAT (Vulnerability Index – Service Priority Decision Assessment Tools) will be the standardized assessment tool for Pinellas County. The VI-SPDAT tool must be used by ESG funded Rapid Re-housing providers to determine the appropriate intervention to address the episode of homelessness and the

prioritization of individuals and families for assistance based on the severity of their service needs and the length of time homeless. Clients can choose a less intensive housing intervention in collaboration with case management.

The VI-SPDAT is required to be conducted upon intake into: Emergency Shelter, Transitional Housing, Rapid Rehousing and Permanent Supportive Housing. Outreach workers shall conduct a VI-SPDAT on homeless persons engaged. Providers conducting the VI-SPDAT assessment are required to enter that information into HMIS. Ongoing training and support will be provided to all CoC and ESG funded providers in the assessment, prioritization and placement process.

The County is currently working with the CoC to finalize a Homelessness Prevention Coordinated Assessment process to be used as a standardized assessment tool for homelessness prevention programs in Pinellas County. Continuum of Care:

Pinellas County consults with members of the Continuum of Care for the area and is a member of the Homeless Leadership Board through the Pinellas County Human Services Department. The Homeless Leadership Board, made up of elected officials and community leaders, drafted *Opening Doors of Opportunity: A 10-Year Plan to End Homelessness in Pinellas County*, to establish the groundwork for guiding Pinellas County in their efforts to end homelessness.

The Consortium supports the Homeless Leadership Board and the priorities of Pinellas County match those of the Continuum of Care and the 10-Year Plan to End Homelessness.

The Continuum of Care Strategic Planning objectives include:

- Creation of new permanent housing beds for chronically homeless through conversion of transitional housing beds to permanent supportive housing.
- Increase the percentage of homeless persons that are successful in staying in permanent housing over six months.
- Increase the percentage of persons employed at program exit to a success rate of twenty percent (20%).
- Decrease the number of homeless households with children.
- Facilitate access to essential services needed to obtain mainstream services.

The Homeless Leadership Board convenes meetings with representatives from the City of St. Petersburg, Pinellas County, the City of Clearwater and homeless service providers in an effort to enhance opportunities to collaborate to better serve the homeless and at-risk populations in Pinellas County.

ESG-CV Written Standards Addendum
Effective Date: October 1, 2020

A. Waivers and Limitations Under ESG-CV Regulations

As part of the ESG-CV Notice released on September 1, 2020, U.S. Housing and Urban Development (HUD) is allowing jurisdictions to incorporate waivers into the operation of eligible activities funded by ESG-CV resources, as well as standard FY 2020 ESG funds dedicated to COVID-19. As part of the development of the ESG-CV Written Standards, this addendum cites and incorporates each waiver and alternative requirements that apply to the Pinellas County ESG-CV Program.

1. **Eligibility for Homelessness Prevention Assistance** - The requirements at 24 CFR 576.103 provide that individuals or families who meet the criteria in paragraph (2), (3), or (4) of the “homeless” definition in 24 CFR 576.2 and have an annual income below 30 percent of median family income for the area, as determined by HUD, are eligible for homelessness prevention assistance is waived; an alternative requirement is established where individuals and families who meet the criteria in paragraph (2), (3), or (4) of the “homeless” definition and have an annual income that does not exceed the Very Low Income Limit for the area as established by HUD for HUD’s Section 8 and Public Housing Programs at www.huduser.gov/portal/datasets/il.html, **(50 percent)**, are eligible for homelessness prevention assistance. This alternative requirement will ease administrative burden for recipients and subrecipients by establishing a single income limit for households qualifying for homelessness prevention assistance and assist more households to maintain housing and prevent homelessness which is necessary to prevent the spread of coronavirus.
 - Start Date – October 1, 2020
 - End Date – September 30, 2022

2. **Emergency Shelters** – This addendum specifically refers to funds used for the costs of providing emergency shelter during the period the subrecipient began preventing, preparing for, and responding to coronavirus and has been extended to end on January 31, 2022. This requirement has been lifted by CPD Notice 21-08. This alternative requirement will ensure that ESG-CV funds are used efficiently to provide more individuals and families with assistance needed to prevent, prepare for, and respond to coronavirus.
 - Start Date – October 1, 2020
 - End Date – September 30, 2022

3. **Short-Term and Medium-Term Rental Assistance** – Medium-rent previously defined as “for more than 3 months but not more than 24 months of rent” is waived and an alternative requirement established defining medium-term as more than 3 months but not more than 24 months. This alternative requirement allows more households to receive rapid re- housing and homelessness prevention assistance, which is necessary to prevent, prepare for, and respond to coronavirus.
 - Start Date – October 1, 2020
 - End Date – September 30, 2022

4. **Fair Market Rents (FMR)** - The requirement prohibiting rental assistance where the rent for the unit exceeds the Fair Market Rent established by HUD, is waived; so long as the rent complies with HUD’s standards of rent reasonableness, as established under 24 CFR 982.507. Waiving this requirement allows recipients to help

program participants move quickly into housing or retain their existing housing, which is especially critical at reducing the spread of coronavirus and responding to coronavirus.

- Start Date – October 1, 2020
- End Date – September 30, 2021

5. **Minimum Standards for Permanent Housing** - Recipients or subrecipients cannot use ESG funds to help program participants remain in or move into housing that does not meet minimum habitability standards provided at 24 CFR 576.403(c). For recipients who choose to serve individuals and families made eligible for Rapid Rehousing (RRH) assistance, the requirements at 24 CFR 576.403(c) are waived and the ESG-CV recipient or subrecipient can provide rental assistance and housing relocation and stabilization services without first inspecting the unit so long as:

- a. The recipient or subrecipient maintains documentation showing the prior rental assistance provider determined that the housing meets:
 - i. The habitability standards established at 24 CFR 576.403(c); or
 - ii. Housing Quality Standards (HQS) established at 24 CFR 982.401; or
- b. The recipient or subrecipient provides no more than 90 days of RRH assistance to the program participant or
- c. The recipient or subrecipient conducts an inspection within the first 90 days and determines the housing meets the habitability standards established at 24 CFR 576.403(c) or the HQS established at 24 CFR 982.401.

- Start Date – October 1, 2020
- End Date – September 30, 2022

6. **Housing Stability Case Management** - HUD is waiving the 30-day limit established in 24 CFR 576.105(b)(2) to the extent necessary to allow recipients or subrecipients to provide up to 60 days of housing stability case management while the program participant is seeking housing.

- Start Date – October 1, 2020
- End Date – September 30, 2022

7. **Administrative Costs** - As permitted by the CARES Act, the Pinellas County will use up to 10 percent of its total ESG-CV grant for administrative costs.

- Start Date – October 1, 2020
- End Date – September 30, 2022

8. **No Cap for Emergency Shelter and Street Outreach** - Funds will be used for emergency shelter and street outreach activities without regard to the spending cap established by section 415(b) of the McKinney-Vento Act and 24 CFR Part 576.100(b). The same flexibility applies to using ESG-CV funds to establish and operate temporary emergency shelters.

9. **Hotel/Motel Costs** – Funds will continue to be utilized to provide hotel or motel vouchers for homeless individuals and families where no appropriate emergency shelter is available. However, the limitations on eligible activities provided in section 415(a) of the McKinney-Vento Act and 24 CFR part 576, subpart B are

10. waived and ESG-CV funds may be used for the following hotel or motel costs for individuals and families experiencing homelessness who are –
 - a. Receiving rapid re-housing assistance under the Homeless Leadership Alliance of Pinellas or ESG programs
 - b. Residing in permanent supportive housing

Pinellas County will permit ESG-CV funds to be used to pay for a hotel or motel rooms. Payments are to be made directly to the hotel/motel.

- Start Date – October 1, 2020
- End Date – September 30, 2022

11. ***Helping current ESG program participants maintain housing*** - The requirement at 24 CFR 576.105(c) limiting the total period of time for which any program participant may receive the services under paragraph (b) to 24 months during any 3-year period is waived. Likewise, the requirement at 24 CFR 576.106(a) limiting the total number of months a program participant can receive rental assistance to 24 months in a 3-year period is waived. Both exceptions will be made solely for those program participants who reach their 24-month maximum assistance.

- Start Date – October 1, 2020
- End Date – September 30, 2022

12. ***Legal Services*** – ESG-CV funds may be used to provide legal services but are limited to those services necessary to help program participants obtain housing or keep a program participant from losing housing where they currently reside.

- Start Date – October 1, 2020
- End Date – September 30, 2022
