THIS PURCHASE AGREEMENT ("Agreement") is made as of this 27 day of April, 2021 ("Effective Date" which is the same date as the last party to execute this Agreement), by and between Pinellas County, a political subdivision of the State of Florida ("County"), and Hach Company ("Contractor") (individually, "Party," collectively, "Parties").

WITNESSETH:

WHEREAS, the County is authorized to purchase goods based on pricing received by other governmental competitive solicitation processes which are made available to local public procurement units; and

WHEREAS, Contractor represents that it has the ability to provide the goods as set forth in this Agreement.

NOW, THEREFORE, in consideration of the above recitals, the mutual covenants, agreements, terms and conditions herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree as follows:

1. The execution of this Agreement is unqualified, unconditional, and subject to and expressly limited by the Terms and Conditions hereon. County and the Contractor are not bound by additional provisions or provisions at variance herewith that may appear in the Contractor's quotation, acknowledgement in force, or any other communication from Contractor to or from County unless such provision is expressly set forth herein.

In that event, the County may terminate this Agreement in those instances in which a corporate acquisition and/or merger represents a conflict of interest or contrary to any local, state or federal laws.
3. ORDERS- Within the term of this Agreement, County may place one or more orders for goods at the prices listed on the Price Schedule which is attached hereto as Exhibit A and which is incorporated by reference hereto.

4. DELIVERY/CLAIMS - Prices on the Schedule of Prices are F.O.B. Origin, and Freight is paid by and unloaded to location(s) within Pinellas County. Actual delivery address(es) will be identified at time of order. Contractor will be responsible for making any and all claims against carriers for missing or damaged items.
5. COMPENSATION - County will pay Contractor upon Contractor's delivery of, and County's acceptance of, the goods required herein, as specified. All payments will only be made based on invoices submitted in accordance with the Local Government Prompt Payment Act, Florida Statutes §§ 218.70, et. seq.
6. TERM OF AGREEMENT AND SPENDING CAP – This Agreement is effective on the effective date and will continue in effect for a period of thirty-six (36) months. Notwithstanding any order(s) placed pursuant to this Agreement, **the County may not be held responsible for amounts exceeding \$314,340.33 in any County Fiscal Year**, without a written amendment to this Agreement raising such limit signed by the parties.
7. CATALOG PRICING – As of the execution day of this Goods Agreement, Hach Company will enter into a multi-year agreement with Pinellas County, whereby Hach Company will provide certain electronic catalog hosting and management services to enable eligible County requisitioners to access a central online website to view and/or shop the goods and services available from current Hach Company product pricing, as listed in **Exhibit A**. The central online website is referred to as the Hach: Water Quality Testing and Analytical Instruments: <https://www.hach.com/> Hach Company will have visibility in the online ordering system, as the official page is maintained and updated by the vendor daily basis. 10. COMPLIANCE WITH APPLICABLE LAWS - Contractor certifies that all of the products to be furnished hereunder will be manufactured or supplied by Contractor in accordance with all applicable provisions of State, Local and Federal laws, as of the date that the goods are supplied.

11. CHOICE OF LAW: The laws of the State of Florida apply to this Agreement and any and all purchases made hereunder. Contractors must comply with all local, state, and federal directives, orders and laws including, but not limited to, Equal Employment Opportunity (EEO), Minority Business Enterprise (MBE), and OSHA.
12. FISCAL NON-FUNDING- In the event that sufficient budgeted funds are not available for a new fiscal period, the County will notify the Contractor of such occurrence and this Agreement will terminate on the last day of the then current County fiscal period (Oct. 1 – Sept. 30) without penalty or expense to the County.
13. INDEMNITY PROVISION - Contractor must indemnify, pay the costs of defense, including attorney's fees and hold harmless the County from all suits, actions or claims of any character brought on account of any injuries or damages received or sustained by any person, persons or property, by or from said Contractor or through the use of unacceptable materials in the construction or improvements; or by, or on account of, any act of omission, neglect or misconduct of the said Contractor, on account of any act or amounts recovered under the "Workers Compensation Law" or of any other laws, bylaws, ordinance, order of decrees, except only such injury or damage as was occasioned by the ~~sole~~-negligence of the County. The first ten dollars (\$10.00) of compensation received by the Contractor represents specific consideration for this indemnification obligation.

Any and all indemnification obligations imposed upon Contractor are limited to the extent of those damages proportionately caused by Contractor's breach of the Agreement, negligence, wrongful conduct, or violations of law. In no case is Contractor liable for any damages caused by negligence, misuse or misapplication of goods by others.

14. LIMITATION ON LIABILITY - THE TOTAL LIABILITY OF CONTRACTOR AND ITS SUBSIDIARIES, AFFILIATES, EMPLOYEES, DIRECTORS, OFFICERS AND AGENTS ARISING OUT OF PERFORMANCE, NONPERFORMANCE, OR OBLIGATIONS IN CONNECTION WITH THE DESIGN, MANUFACTURE, SALE, DELIVERY, AND/OR USE OF GOODS AND/OR SERVICES IN NO CIRCUMSTANCE INCLUDES ANY LIQUIDATED, PENALTY, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, NOR EXCEED THREE HUNDRED THOUSAND DOLLARS (\$300,000.00), EXCEPT ONLY IN THE CASE OF DAMAGES ARISING DUE TO CONTRACTOR'S WILLFUL MISCONDUCT.

15. INDEPENDENT CONTRACTOR STATUS AND COMPLIANCE WITH THE IMMIGRATION REFORM AND CONTROL ACT OF 1986 - The Contractor is and will remain an independent contractor and is neither agent, employee, partner, nor joint venture of the County. Contractor acknowledges that it is responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 located at 8 U.S.C. 1324 et. seq., and regulations thereto, as either may be amended from time to time. Failure to comply with the above provisions is considered a material breach and is grounds for immediate termination of the agreement, at the discretion of the County.

18. MATERIAL QUALITY - All goods and materials purchased and delivered pursuant to this Agreement will be of first quality and not damaged and/or factory seconds. Any materials damaged or not in first quality condition upon receipt must be exchanged within twenty-four (24) hours of notice to the Contractor at no charge to County.
19. MATERIAL SAFETY DATA - In accordance with OSHA Hazardous Communications Standards, it is the Contractor seller's duty to advise if a product is a toxic substance and to provide a Material Safety Data Sheet at time of delivery.
20. NON-EXCLUSIVE AGREEMENT - Award of this Agreement imposes no obligation on the County to utilize the Contractor for all goods of this type, which may develop during the agreement period. This is not an exclusive agreement. County specifically reserves the right to concurrently contract for similar goods if it deems such action to be in the County's best interest. In the case of multiple-term agreements, this provision applies separately to each term.
21. PURCHASE ORDER NUMBER - Each order will contain the Purchase Order Number applicable to this Agreement, and such Purchase Order Number must appear on all packing slips, invoices and all correspondence relating to the Order. County will not be responsible for goods delivered without a Purchase Order Number.
22. REMEDIES - County and Contractor will have all remedies afforded by applicable law.
23. RIGHT TO AUDIT - The Contractor must retain records relating to this agreement for a period of at least three (3) years after final payment is made. All records must be kept in such a way as will permit their inspection pursuant to Chapter 119, Florida Statutes. In addition, County reserves the right to audit such records pursuant to Pinellas County Code, §2-176(j).

23. SEVERABILITY - If any section, subsection, sentence, clause, phrase, or portion of this Agreement is for any reason held invalid or unconstitutional by any court of competent Jurisdiction, such portion must be deemed separate, distinct, and independent provision, and such holding will not affect the validity of the remaining portion thereof.
24. TAX EXEMPTION – County is immune from taxation. The Florida State Sales Tax Exemption Number for Pinellas County is 85-8013287050C-7. Federal Excise Tax Exemption Number is 59-6000800.
25. TAXES - Payments to County are subject to applicable Florida taxes.

Failure of the Contractor to comply with any of the provisions of this Agreement is considered a material breach of Agreement and is cause for immediate termination of the Agreement at the sole discretion of County.

In addition to all other legal remedies available to the County, the County reserves the right to terminate and obtain from another source any goods which have not been provided within the period of time stated in the proposal, or if no such time is stated, within a reasonable period of time from the date of request, as determined by the County.

27. VARIATION IN QUANTITY - County assumes no liability for goods or materials produced, processed or shipped in excess of the amounts ordered pursuant to the terms of this Agreement.
