Topic Proposed Budget
BCC Agenda Date 9-22-2020
Your Stand on the Issue Undecided

Comments

I reviewed the proposed budget published in the Sunday Tampa Bay Times. I see that an overall 2% increase is proposed, but I cannot determine the areas that would receive the increase. How does the proposed budget compare to last year's budget at the category level? Specifically, which categories will receive the increases and which will be decreased or stay the same? Why?
