#58 Interlocal agreement relating to the distribution of monies derived from imposition of the First Local Option Fuel Tax to the County and the various municipalities in the county, effective September 1, 2007, approved for execution; Ordinance No. 05-96 adopted extending the Local Option Fuel Tax for an additional ten years commencing September 1, 2007 and ending August 31, 2017. Motion - Commissioner Latvala
Second - Commissioner Welch

Responding to queries by Commissioner Stewart, Director of the Office of Management and Budget Jerry Herron provided information pertaining to current and projected annual revenue; existing bond debt; and allocation of funds; and indicated that the new interlocal agreement reduces the County's share from 75 to 60 percent and increases the municipal share from 25 to 40 percent; and that revenue will be used for operation and maintenance of the existing infrastructure; and Mr. Spratt provided input.

Subject:

Execution of the attached Local Option Gas Tax interlocal agreements and adoption of a proposed Ordinance extending the existing Local Option Gas Tax.

Department:

Office of Management and Budget

Staff Member Responsible:

Jerry Herron, Director

Recommended Action:

I RECOMMEND THAT THE BOARD OF COUNTY COMMISSIONERS (BOARD) EXECUTE THE ATTACHED INTERLOCAL AGREEMENT RELATING TO THE DISTRIBUTION OF MONIES DERIVED FROM IMPOSITION OF THE LOCAL OPTION GAS TAX TO THE COUNTY AND THE VARIOUS MUNICIPALITIES IN THE COUNTY, EFFECTIVE SEPTEMBER 1, 2007, AND APPROVE THE PROPOSED ORDINANCE EXTENDING THE LOCAL OPTION GAS TAX.

Summary Explanation/Background:

The Board originally imposed a four-cent Local Option Gas Tax (LOGT) in 1985 for a period of ten years. The Board adjusted the tax in 1987 by increasing it to six cents and extending the period by two years. The Board extended the LOGT for an additional ten-year period effective September 1, 1997 through August 31, 2007. In connection with these actions, and pursuant to the statute authorizing the tax, the Board entered into interlocal agreements with the various municipalities within Pinellas (County), which agreements governed the distribution of the gas tax monies throughout the County.

This past summer, the Board indicated its intention to extend the authorization for an additional ten years commencing September 1, 2007 and ending August 31, 2017. The County distributed a new interlocal agreement to the various municipalities for their approval. While this agreement was similar to that which accompanied the previous extension, the updated agreement reduced the County portion of proceeds from 75 to 60 percent and increased the municipal share from 25 to 40 percent. An additional change altered the municipal distribution formula as a means of addressing population changes occurring since the last extension based upon 2004 population estimates. All of the municipalities have executed the revised interlocal agreement.

Fiscal Impact/Cost/Revenue Summary:

Approval of the proposed Ordinance and accompanying interlocal agreement will continue County LOGT revenues through 2017. Beginning in FY07, the revised interlocal agreement will generate approximately \$14.2 million annually in County revenue. One cent of LOGT generates approximately \$3.95 million annually.

Furthermore, the amounts distributed hereunder shall not be reduced by virtue of or due to the terms of this Interlocal Agreement below the amount pledged for the payment of principal, interest, and reserves as required under the covenants of any bond resolution or indenture outstanding on the date of establishment of this Interlocal Agreement.

SECTION 2. DISTRIBUTION. The First Local Option Fuel Tax imposed by the County upon every gallon of motor fuel and diesel fuel sold in the County and taxed under the provisions of Chapter 206, Florida Statutes, shall be distributed by the State Department of Revenue directly to the County, for placement in the Local Option Fuel Tax Trust Fund Account for subsequent allocation and disbursement to the Municipalities and the County in accordance with the distribution formula attached hereto as Appendix "A" and incorporated by reference herein.

SECTION 3. UTILIZATIONS OF FUEL TAXES. The County and the Municipalities agree that the moneys received from the First Local Option Fuel Tax, or the proceeds of any revenue bonds secured thereby, shall only be utilized for transportation expenditures as defined by Section 336.025(7), Florida Statutes.

SECTION 4. PRIOR INTERLOCALS SUPERSEDED. Commencing on the Effective Date of this Interlocal Agreement as defined in Section 8, the County and the Municipalities agree that the County shall administer the allocation of estimated cash receipts

and shall distribute the proceeds of the First Local Option Fuel Tax to the Municipalities and the County in accordance with the distribution formula in Appendix A. The distribution terms of this Interlocal Agreement shall supersede the distribution formulas contained in the Prior Interlocals, and the distribution of the First Local Option Fuel Tax proceeds shall be governed specifically by the terms of this Interlocal Agreement as of the Effective Date. During the period between when this Interlocal Agreement is approved by the parties hereto and the Effective Date, the First Local Option Fuel Tax shall be distributed in accordance with the Interlocal Agreement dated July 1, 1991. The parties hereby agree that all distributions which have been undertaken prior to the date hereof are proper and acceptable and the parties hereby waive any right to dispute any amounts previously distributed.

SECTION 5. ABILITY TO PLEDGE. The parties respective portions of the First Local Option Fuel Tax may be pledged by the County or the Municipalities to secure revenue bonds or other obligations for the purposes set forth in Section 336.025, Florida Statutes, and as set forth in this Agreement. The County and the Municipalities may also develop, implement and administer any other program or financial arrangement in accordance with applicable law and this Interlocal Agreement which provides for payment with their respective share of the First Local Option Fuel Tax.

SECTION 6. NEW MUNICIPALITIES. Any municipality which may become newly incorporated in the County after the effective date hereof and which is eligible for participation in the distribution of the proceeds of the First Local Option Fuel Tax under Parts II and VI of Chapter 218 may become a party hereto, but only in accordance with Section 336.025(4)(b), Florida Statutes.

SECTION 7. AMENDMENT. This Agreement may be amended in writing upon the express formal consent of the governing bodies of all the parties.

SECTION 8. EFFECTIVE DATE. This Agreement shall be effective for the purposes stated herein on September 1, 2007, and except as otherwise provided herein, shall expire on August 31, 2017.

SECTION 9. TERMINATION IF NO LEVY. This Agreement shall automatically terminate in the event that the County does not adopt an ordinance extending the First Local Option Fuel Tax pursuant to Section 336.025, Florida Statutes, on or before January 1, 2007.

SECTION 10. PERIODIC REVIEW. The County and Municipalities shall review the distribution formula for the First Local Option Fuel Tax at least every ten (10) years during the term hereof, including any extensions of this Interlocal Agreement.
