- 5) **Change Orders:** REDMARK shall use its best efforts to meet any delivery dates for Deliverables set forth in the Assignment(s), and to deliver Deliverables to County that conform to the project specifications set forth in the relevant Assignment(s).

Any changes to any Assignments shall be in writing and signed by both parties ("Change Order").

County understands that any change to the requirements of any Assignment could affect the existing delivery schedule as well as the agreed-upon cost of the relevant Assignment. REDMARK will advise County in advance regarding any cost or delivery schedule changes. REDMARK will not execute any changes unless County authorizes REDMARK to do so in writing. If Assignment change is still within contract scope, department representative may authorize. If change requires an update to the Contract, acceptance will be in the form of an Amendment.

6) Other Considerations:

County agrees to be available for meetings to be scheduled by REDMARK to transfer such knowledge as is required to accomplish the objectives of this Agreement to the relevant development team to be assigned by REDMARK. REDMARK shall schedule meetings with at least 3 days prior written notice and County shall respond to the request with its availability within 24 hours of REDMARK's written notice. Virtual meetings are acceptable as long as there are recorded or written minutes of such meetings.

Failure of County to attend 3 pre-arranged and agreed meetings without 24 hours prior notice shall void REDMARK's obligations relating to the delivery schedule(s) under the relevant Assignment; County shall, however, remain obligated to pay all other open assignment invoices barring any invoice disputes.

Payment of invoices for work performed for Pinellas County Board of County Commissioners (County) is made, by standard, in arrears in accordance with Section 218.70, et. seq., Florida Statutes, the Local Government Prompt Payment Act.

If a dispute should arise as a result of non-payment of a payment request or invoice the following Dispute Resolution process shall apply:

- A. Pinellas County shall notify a vendor in writing within 10 days after receipt of an improper invoice, that the invoice is improper. The notice should indicate what steps the vendor should undertake to correct the invoice and resubmit a proper invoice to the County. The steps taken by the vendor shall be that of initially contacting the requesting department to validate their invoice and receive a sign off from that entity that would indicate that the invoice in question is in keeping with the terms and conditions of the agreement. Once sign off is obtained, the vendor should then resubmit the invoice as a "Corrected Invoice" to the requesting department which will initiate the payment timeline.
 1. Requesting department for this purpose is defined as the County department for whom the work is performed.
 2. Proper invoice for this purpose is defined as an invoice submitted for work performed that meets prior agreed upon terms or conditions to the satisfaction of Pinellas County.
- B. Should a dispute result between the vendor and the County about payment of a payment request or an invoice then the vendor should submit their dissatisfaction in writing to the Requesting Department. Each Requesting Department shall assign a representative who shall act as a "Dispute Manager" to resolve the issue at departmental level.
- C. The Dispute Manager shall first initiate procedures to investigate the dispute and document the steps taken to resolve the issue in accordance with section 218.76 Florida Statutes. Such procedures shall be commenced no later than 45 days after the date on which the payment request or invoice was received by Pinellas County, and shall not extend beyond 60 days after the date on which the payment request or invoice was received by Pinellas County.
- D. The Dispute Manager should investigate and ascertain that the work, for which the payment request or invoice has been submitted, was performed to Pinellas County's satisfaction and duly accepted by the Proper Authority. Proper Authority for this purpose is defined as the Pinellas County representative who is designated as the approving authority for the work performed in the contractual document. The Dispute Manager shall perform the required investigation and arrive at a solution before or at the 60 days timeframe for resolution of the dispute, per section 218.76, Florida Statutes. The County Administrator or his or her designee shall be the final arbiter in resolving the issue before it becomes a legal matter. The County Administrator or his or her designee will issue their decision in writing.
- E. Pinellas County Dispute Resolution Procedures shall not be subject to Chapter 120 of the Florida Statutes. The procedures shall also, per section 218.76, Florida Statutes, not be intended as an administrative proceeding which would prohibit a court from ruling again on any action resulting from the dispute.

If it is found that the non-prevailing party held back any payment that was the reason for the dispute without having any reasonable lawful basis or fact to dispute the prevailing party's claim to those amounts.
