Topic Curbside delivery

BCC Agenda Date 4-21-2020

Your Stand on the Issue

Comments

The Governor's order 20-91 section 2-E states; "All businesses are encouraged to provide delivery, carryout or curbside." and as per Miami Dade order GG " Essential businesses that interact with customers solely through electronic or telephonic means and delivering products via mailing, shipping or delivery service." So this would allow us to deliver curbside to our customers who order online, correct? If not, please explain?
