Mr. Craig Hare, EMS Authority Executive Director:

The Pinellas County Special Fire Control Districts support Commissioner Kevin Kenney and Commissioner Casey Cane to represent as Independent Fire District Elected Officials for the Pinellas County Emergency Medical Services Advisory Council. We believe these gentlemen are exceptional candidates for this council because of their courage, strength, the ability to communicate effectively, knowledge, judgment, integrity, and interpersonal skills.

Our recommendation, if approved, is for Commissioner Kenney to represent as the primary fire district representative based on his experience with the council and Commissioner Cane to represent as the alternate fire district representative.

Thank you for this opportunity to serve and your consideration with this recommendation.

Sincerely,

*Jason Gennaro*

Jason Gennaro, Fire Chief, East Lake Tarpon Special Fire Control District
