Date/Time/Comments: 01/30/2018 Approval by the County Administrator for the modification and continuation of the Grant Agreement with the U.S. Department of Homeland Security (DHS) for BioWatch Program for field operations and sample collection activities. The modification reduces the budget period and project period of the contract. The reduction of time does not require a change in insurance requirements. The original grant award and 1st modification are attached to Stars.

NOTES: No additional funds provided. This administrative action reduces the current budget period and project period end date three months from September 30, 2018 to June 30, 2018. This change facilitates possible future obligations of funds prior to the end of the Federal fiscal year.
