QUESTIONNAIRE

1. VENDOR QUESTIONNAIRE

Respondents are expected to organize their submittals in such a manner as to facilitate the evaluation process. Submittals should be keyed or indexed to correspond with this solicitation. Responses should be correlated to the specific submittal, criterion, section or paragraph number of the solicitation being addressed.

Evaluators will make a reasonable effort to locate information in the responses; however failure to follow this suggested format may make location of critical submittal information difficult, possibly resulting in a loss of appropriate credit.

Additional documentation may be requested by the County to ensure contract compliance.
