**WHEREAS**, said Interlocal Agreement expired on September 30, 2005; and

**WHEREAS**, the City of Dunedin Planning Area Map (Exhibit B) depicts the areas subject to this Agreement; and

**NOW THEREFORE**, in consideration of the mutual terms, conditions, promises, and covenants set forth, the County and the City agree as follows:

SECTION 1. **Authority.** This Interlocal Agreement is entered into pursuant to Section 163.3171 (3), Florida Statutes, the Community Planning Act (herein, Planning Act) and Section 163.01, the Florida Interlocal Cooperation Act of 1969.

SECTION 2. **Term.** The initial term of this Interlocal Agreement shall be ten (10) years commencing on the first date written above. The term of this Interlocal Agreement may be extended for an additional ten (10) years upon mutual agreement of both parties.

SECTION 3. **Dunedin Planning Area Created.** The County and City hereby designate those lands described in Exhibit A and graphically depicted in Exhibit B as the Dunedin Planning Area (DPA).

SECTION 4. **Planning Authority for Dunedin Planning Area.**

- (a) The County shall have full authority for the preparation and adoption of the Comprehensive Plan and any amendments thereto pursuant to the Planning Act, and for the adoption, amendment and enforcement of land development regulations thereunder, for all parcels of property within the DPA lying outside the corporate limits of the City unless and until such parcel is annexed by the City.
- (b) The City, in preparing and adopting its Comprehensive Plan (Plan) for the development of land within the City, and amendments thereto, may include the Dunedin Planning Area within the City's Plan in order to advise both the County and the owners of parcels of property therein of the City's Plan for the DPA. The City acknowledges that the inclusion in the City's Plan of parcels of property within the DPA which lie outside the corporate limits of the City shall not be binding on the County or the property owners prior to such annexation of such parcels by the City.
- (c) Any affected person within the Dunedin Planning Area shall have standing to participate in any administrative, legislative, quasi-judicial or judicial proceeding in which the adoption or effect of the City's comprehensive plan or any amendment thereto upon the affected person's property is an issue, and may challenge the adoption of the plan or any amendment thereto, to the same extent that the affected person would have standing if the property were included within the boundaries of the City. For the purpose of this sub-paragraph, "affected person" includes the owner of the property and any person residing upon it or owning or operating a business thereon, and shall be synonymous with the "affected person" as defined by Section 163.3184(1)(a), Florida Statutes (2018), as the same may be amended from time to time.
- (d) In the event that an owner of property within the DPA applies to the City for voluntary annexation of the property, the owner may assent to the City's Plan as it applies to the property if the City's Plan provides for intensity of use or density which is equal to or less than the County's Comprehensive Plan. In such case, the City's Plan shall take effect for the annexed property at the time of annexation.

- (e) If the property owner's assent is not provided or the designation of the property provides for intensity of use or density that is greater than the County's Comprehensive Plan, it shall require an amendment to the City's Plan and be subject to any necessary amendments to the Countywide Plan Map maintained by Forward Pinellas.
- (f) Property in the Dunedin Planning Area shall become subject to the planning authority of the City upon the effective date of annexation by the City as provided by Section 171.062, Florida Statutes (2018).

SECTION 5. **Joint Planning Studies.** The City and the County recognize that certain areas within the DPA have particular community needs. The City and County may cooperatively and voluntarily engage in joint planning studies for areas of mutual concern. Such joint planning studies shall be mutually adopted by the City and County for their respective jurisdictions. In the event that a property voluntarily annexes into the City, the City's plan shall take effect upon annexation to the extent allowed by law and this Interlocal Agreement.

- (a) In the event that a disagreement or conflict arises regarding the application or interpretation of this Interlocal Agreement, the parties shall attempt to resolve the matter through informal negotiation.
