Date/Time/Comments: We are little behind on this. The units have already been built. Local media featured them in news in April.

This agreement is for additional \$100,000 grant to build 4 modular units.

NOTES:

This Amendment will allow Catholic Charities to purchase four (4) modular housing units, called "Hope Cottages," that are constructed from industrial shipping containers. Each housing unit will have three (3) separate bedroom spaces. These units will be connected by a small courtyard and will provide safe, comfortable housing for twelve (12) homeless individuals while they access resources to stabilize and move toward accessing permanent housing.
