Nothing in this paragraph (c) shall be read to contravene the explicit terms of 7(a) and 7(b). County retains responsibility for the payment of any valid claims to the extent otherwise payable by the County in the absence of such legal actions or claims (e.g. self-funded claims). Contractor retains responsibility for the payment of valid claims otherwise payable by Contractor in the absence of such legal action or claims (e.g. fully-insured), and, notwithstanding the foregoing, will indemnify only in the event, and to the extent, it has negligently failed to process valid fully-insured claims when due.
- C. **Liability.** Neither the County nor Contractor shall make any express or implied agreements, guaranties or representations, or incur any debt, in the name of or on behalf of the other Party. If funds are not appropriated by the County for any or all of this Agreement, the County shall not be obligated to pay any sums provided pursuant to this Agreement beyond the portion for which funds are appropriated. ## PAYMENT / INVOICES

Payment of invoices for work performed for Pinellas County Board of County Commissioners (County) is made, by standard, in arrears in accordance with Section 218.70, et. seq., Florida Statutes, the Local Government Prompt Payment Act.

If a dispute should arise as a result of non-payment of a payment request or invoice the following Dispute Resolution process shall apply:

- A. Pinellas County shall notify a vendor in writing within ten (10) days after receipt of an improper invoice, that the invoice is improper. The notice should indicate what steps the vendor should undertake to correct the invoice and resubmit a proper invoice to the County. The steps taken by the vendor shall be that of initially contacting the requesting department to validate their invoice and receive a sign off from that entity that would indicate that the invoice in question is in keeping with the terms and conditions of the agreement. Once sign off is obtained, the vendor should then resubmit the invoice as a "Corrected Invoice" to the requesting department which will initiate the payment timeline.
  - 1.) Requesting department for this purpose is defined as the County department for whom the work is performed.
  - 2.) Proper invoice for this purpose is defined as an invoice submitted for work performed that meets prior agreed upon terms or conditions to the satisfaction of Pinellas County.
- B. Should a dispute result between the vendor and the County about payment of a payment request or an invoice then the vendor should submit their dissatisfaction in writing to the Requesting Department. Each Requesting Department shall assign a representative who shall act as a "Dispute Manager" to resolve the issue at departmental level.
- C. The Dispute Manager shall first initiate procedures to investigate the dispute and document the steps taken to resolve the issue in accordance with section 218.76 Florida Statutes. Such procedures shall be commenced no later than forty-five (45) days after the date on which the payment request or invoice was received by Pinellas County, and shall not extend beyond sixty (60) days after the date on which the payment request or invoice was received by Pinellas County.
- D. The Dispute Manager should investigate and ascertain that the work, for which the payment request or invoice has been submitted, was performed to Pinellas County's satisfaction and duly accepted by the Proper Authority. Proper Authority for this purpose is defined as the Pinellas County representative who is designated as the approving authority for the work performed in the contractual document. The Dispute Manager shall perform the required investigation and arrive at a solution before or at the sixty (60) days timeframe for resolution of the dispute, per section 218.76, Florida Statutes. The County Administrator or his or her designee shall be the final arbiter in resolving the issue before it becomes a legal matter. The County Administrator or his or her designee will issue their decision in writing.
- E. Pinellas County Dispute Resolution Procedures shall not be subject to Chapter 120 of the Florida Statutes. The procedures shall also, per section 218.76, Florida Statutes, not be intended as an administrative proceeding which would prohibit a court from ruling again on any action resulting from the dispute.
- F. Should the dispute be resolved in the County's favor interest charges begin to accrue fifteen (15) days after the final decision made by the County. Should the dispute be resolved in the vendor's favor the County shall pay interest as of the original date the payment was due.

If it is found that the non-prevailing party held back any payment that was the reason for the dispute without having any reasonable lawful basis or fact to dispute the prevailing party's claim to those amounts.

**Section 8. – Resolution of Disputes**

It is understood and agreed that any dispute between the Parties arising from or relating to the performance or interpretation of this Agreement (“**Controversy**”) shall be resolved exclusively pursuant to the following mandatory dispute resolution procedures:

1. Any Controversy shall first be referred to an executive level employee of each Party who shall meet and confer with his/her counterpart to attempt to resolve the dispute ("**Executive Review**") as follows: The disputing Party shall initiate Executive Review by giving the other Party written notice of the Controversy and shall specifically request Executive Review of said Controversy in such notice. 4. The Parties intend this dispute resolution procedure described above to be a private undertaking and agree that an arbitration conducted under this provision will not be consolidated with an

arbitration involving other plans administered in whole or in part by CHLIC or other affiliates of Cigna Corporation, or third parties not parties to this Agreement. The arbitrator will be without power to conduct arbitration on a class or representative basis. The Employer waives its right to participate in a class action or representative proceeding against CHLIC or other affiliates of Cigna Corporation. The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. All issues are for the arbitrator to decide, except the courts will decide those issues relating to the scope and enforceability of the arbitration provision.

Claim Procedural Accuracy represents the total number of Claims/claims processed without any coding errors, excluding any Claims/claims with a payment error, divided by the total Claims/claims processed, expressed as a percentage. The calculation of Claims/claims paid with error is determined from auditing a statistically valid sample of Claims/claims paid during the Guarantee Period.

In the event that an Account Level Claim Procedural Accuracy Performance Guarantee is applicable and Employer has fewer than 2,500 Employees enrolled in the Plan(s) on the Effective Date, CHLIC may charge Employer a reasonable administrative fee determined by CHLIC.

### 2.2.4. **Claim Payment Accuracy**

- 2.2.4.1. Claim Payment Accuracy - will be determined by applying CHLIC's Standard Quality Assurance Audit Methodology to a statistically valid sample of paid Claims (Account Level) or claims (Claim Platform Level) processed during the Guarantee Period.

Claim Payment Accuracy represents the total number of Claims/claims processed without any payment errors, divided by the total Claims/claims processed, expressed as a percentage. The calculation of Claims/claims paid with financial error is determined by CHLIC from auditing a statistically valid sample of Claims/claims paid during the Guarantee Period.

In the event that an Account Level Claim Payment Accuracy Performance Guarantee is applicable and Employer has fewer than 2,500 Employees enrolled in the Plan(s) on the Effective Date, CHLIC may charge Employer a reasonable administrative fee determined by CHLIC.

2.3. **Inquiry**

2.3.1. **Average Speed of Answer (ASA)**

2.3.1.1. ASA - will be determined by measuring the sum of the total elapsed time between the moment when a Call is queued and the time the Call is responded to for all answered Calls, and then dividing that number by the total number of Calls answered during the Guarantee Period.

The calculation of ASA is based on all Calls received during the hours of operation during the Guarantee Period that are serviced in the Special Account Queue.

2.3.2. **Call Abandonment Rate**

2.3.2.1. Call Abandonment Rate - will be determined by dividing the total number of Calls received during the Guarantee Period that result in the caller terminating the Call after it is queued to a CSA, by the total number of Calls received during the Guarantee Period, expressed as a percentage.

The calculation of Call Abandonment Rate is based on all Calls received during the hours of operation during the Guarantee Period that are serviced in the Special Account Queue.

2.3.3. **First Call Resolution**

2.3.3.1. First Call Resolution Rate - will be determined by dividing the number of first Calls without a repeat Call during the Guarantee Period by the total number of original unique Inquiries received during the Guarantee Period, expressed as a percentage. A Call will be considered a “first Call without a repeat Call” if there is not a Call involving the same matter during the 45 day period prior to the Call or during the 45 day period following the Call.

2.3.4. **Call Activity Closure Rate**

2.3.4.1. Call Activity Closure Rate - will be determined by dividing the number of Inquiries closed within the Guarantee Period by the total number of Inquiries received during the Guarantee Period, expressed as a percentage. An Inquiry will be considered closed when CHLIC gives it a closed status on its Inquiry Tracking System(s). The Call Activity Closure Rate will be calculated by counting the number of Business Days from the Business Day that the Inquiry is received, to and including the Business Day that the Inquiry is closed. For purposes of this calculation, the Business Day that the Inquiry is received will not be included in the calculation.

2.4. **Employer Service**

2.4.1. **Automated Maintenance Eligibility Processing\***

\*This Performance Guarantee shall not apply if Employer is using the Enrollment Maintenance Tool.

2.4.1.1. Additional Condition Precedent - This Maintenance Eligibility Processing Performance Guarantee is contingent upon the submission by Employer (or Employer’s agent) of full

electronic eligibility files containing no more than two (2) percent erroneous records. An “erroneous record” means any Plan Participant record lacking any of the accurate information necessary to correctly administer benefits, such as: correct spelling of the Plan Participant’s name; applicable Social Security Number; date of birth; account number; division (if any); branch number; information to correctly identify plan and benefit structure, such as benefit option code, benefit structure, plan code, plan type, network ID (if the Plan uses provider networks); effective date of coverage; termination date; HIPAA privacy information (if any); member address and any other demographic data.

2.4.1.2. Maintenance Eligibility Processing - will be determined by dividing the number of eligibility files that met the performance standard during the Guarantee Period by the total number of eligibility files processed during the Guarantee Period, expressed as a percentage. Whether the performance standard has been met will be determined by counting the number of Business Days from the Business Day that the file is received by CHLIC to and including the Business Day the file is entered into the CHLIC eligibility system. The Business Day the file is received will not be included in this calculation.

2.4.2. **Maintenance ID Cards**

2.4.2.1. Maintenance ID Cards - performance will be determined by dividing the number of ID cards that were issued to Plan Participants within the designated number of Business Days during the Guarantee Period by the total number of ID cards issued to Plan Participants during the Guarantee Period, expressed as a percentage. For purposes of this calculation, whether an ID card was issued to a Plan Participant within the designated number of Business Days will be determined by counting the number of Business Days from the Business Day that eligibility information necessary to issue the ID card is released to the ID card vendor, to and including the Business Day that the ID card is issued to the Plan Participant. The Business Day the eligibility information is received by the ID card vendor will not be included in this calculation.

2.5. **Account Management**

2.5.1. Account Management Performance Guarantee – will be met if CHLIC’s Account Management Sales Team provides services to Employer of such quality that the designated Account Management Composite Score based upon four (4) quarterly scorecards during the Guarantee Period is met on the Account Management Report Card (sample available upon request).

2.5.2. Account Management Condition Precedent – This commitment is contingent on Employer completing its obligations in the “Evaluation of Account Management” subsection below, on a quarterly basis.

2.5.3. Evaluation of Account Management - At the beginning of the Term, Employer shall designate individuals on its benefits staff who will receive and complete the Account Management Report Card on a quarterly basis.

The Account Management Report Card will be distributed to Employer’s designated staff members on a quarterly basis, shall be completed, signed and dated by them, and all returned to CHLIC by Employer within three (3) weeks of the distribution date. Failure of Employer to meet its obligations in this subparagraph and the subparagraph above shall nullify the Account Management Performance Guarantee.

Following the end of the Guarantee Period and receipt of the fourth (4th) quarterly Report Card from Employer, CHLIC will calculate the composite score in each performance assessment category by averaging the scores for the four (4) quarters of the Guarantee Period. The assessments of each of the designated staff members and each of the performance assessment

categories will be weighted equally. The Account Management Performance Guarantee will be deemed fulfilled if the average of the composite scores in each category (“Account Management Composite Score”) is equal to or greater than the Account Management Composite Score indicated on Exhibit A.

- 2.5.4. Reservation of Right – CHLIC reserves the right to make changes during the Term in its staff/personnel assigned to provide Account Management services to Employer.

3. **Evaluation of Performance and Payment Amounts**

- 3.1. Within four (4) months after the end of the Term, CHLIC shall compile the necessary documentation and perform the necessary calculations to evaluate its fulfillment of each Performance Guarantee set forth in this Agreement and make this information available to Employer in a Performance Report.

The Payment Amounts in Exhibit A have been established in relationship to the Projected Population. In the event that the actual number of Employees enrolled on the Effective Date is greater than one-hundred and fifteen percent (115%) of the Projected Population, the Employer reserves the right to increase the Payment Amounts in proportion to the variation between the actual and projected number of enrolled Employees. Correspondingly, CHLIC reserves the right to decrease the Payment Amounts in proportion to the variation between the actual and projected number of enrolled Employees in the event that the actual number of Employees enrolled on the Effective Date is less than eighty-five percent (85%) of the Projected Population.
