Review & Comments

OMB Grants Administration has conducted a review of the **Public Works** intent to apply for the **Air Pollution Control, Section 105** funded by **United States Environmental Protection Agency**.

Project Scope of Work

The EPA Air Pollution Control Section 105 Grant Program is to assist in the planning, developing, establishing, improving and maintaining adequate programs for prevention and control of air pollution. This application is for another two-year budget/project period award to support continuing local air quality program activities.

Strategic Initiatives

Resilient Infrastructure and Environment and Healthy and Safe Communities

Anticipated Impact to the County Budget

This is a **Multi Year** grant potentially affecting **FY27 and FY28**. The application request is for **\$663,092.00** with a **\$1,547,212.00** cost share requirement. The total project budget is **\$2,210,304.00**.

Grant Review Comments

- If grant funding is awarded, the fiscal impact will be in FY27, and an analysis of the total project budget will be made at that time.
- The grant application will require Director approval for submission.
- The OMB Grants Administration Division has no objection to submittal of this grant application.
