This information is a result of a Pinellas County Online Customer Service form submission from the Pinellas County web site.

**Direction of Inquiry**      General Information

---

**Subject**                      Board Decision for Mask Requirement

---

**Message**                      I'd like to know how much longer does Pinellas County continue to keep in place a mask mandate? Given the influx of Spring Breakers I can understand the need to keep a mandate in place. But I think it's time to start considering the prospect of removing the mandate beyond Spring Break.

I understand you are most likely following CDC guidelines, but is this in the best interest of our local municipalities? CDC guidelines are meant as broad spectrum guidance without considerations of local conditions (cases, hospitalization rates, likelihood of spread given a specific climate, etc)

I urge the members of this committee to put aside CDC guidelines and solicit input/recommendations from local medical leadership (if not already done so) on what we should be doing going forward. In my mind looking at this from a local (Pinellas County) perspective would better service the citizens of this county.

Thank you.
