Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

Funding is available under Project 004573A Pass-a-Grille Way and Gulf Way from 9th Ave. to 22nd Ave. Water Main Improvements, funded by the Water Renewal and Replacement Fund, and Project 004909A 62nd Street North Force Main Extension and Gravity Main Capacity Improvement, funded by the Sewer Renewal and Replacement Fund, included in the Capital Improvement Plan.

Award recommendation is in the amount of \$3,590,105.00.

All work is expected to be completed within 365 consecutive calendar days.

Pass-A-Grille Way and Gulf Way from 9th Avenue to 22nd Avenue water system improvements: This project consists of the replacement of water mains that are deteriorating, substandard, thin, high maintenance, prone to breakage, and past useful life.

North 62nd Street sanitary sewer system improvements: This project addresses capacity limitations based on the hydraulic model for the South County's Sewer System.
