Comments: This Agreement provides funding for a Diversion Program for homeless individuals and families. The Diversion Program provides for two (2) Master's Level Case Managers and flexible funding for related client assistance.

Notes: As a core part of the Homeless Continuum of Care (CoC), Pinellas County has funded a diversion program to divert individuals and families that can be stabilized. The program works to reduce the demand for shelter beds and homeless services by providing case management and direct services to divert households to stable housing placements prior to entering the homeless system. Strategies include: problem solving, crisis intervention, family mediation, linkage to services and flexible funding. The HLA directly delivers services under this agreement
