Date/Time/Comments: 02/02/2017 Rick Kahler Agreement is to provide settlement money to Clearwater shuttle to improve services for ADA customers. Funding is paid directly to Clearwater Ferry and there is no insurance wording regarding insurance for recipient. Agreement does have indemnity language in favor of the County

NOTES:
 The action will support the purchase and installation of equipment to improve service on the Clearwater Ferry, the development of a Marine Architect Report to support repowering the vessel, and provide two ADA ramps for Clearwater Ferry vessels to increase accessibility to ferry services.

 The action is needed to improve service for the Clearwater Ferry to provide transportation alternatives and help alleviate congestion between Downtown Clearwater and Clearwater Beach.
