**Description & Comments**

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

Office of Fleet and Asset Management is requesting the declaration and surplus as well as authorization of auction sales of equipment and vehicles on the attached lists. Approve distribution of the proceeds from the sale of vehicles and equipment sold to the funds from which the assets were purchased, typically the Fleet Vehicle Replacement or a specific enterprise fund.

This action declares the listed items as surplus and authorizes their sale via auction to the highest bidder.

- The usefulness of the identified equipment and vehicles has been exhausted.
- Breakdown of assets for disposal as follows:
  - a.) 13 Utility Carts
  - b.) 2 Sedans/SUVs/Vans
  - c.) 2 Light Duty Trucks
  - d.) 5 Medium Duty Truck
  - e.) 5 Heavy Duty Trucks
  - f.) 14 Mowers
  - g.) 2 Excavators
  - h.) 2 Ag Tractors
  - i.) 1 Tracked Skid Steer
  - j.) 1 Forklift
  - k.) 1 Tram w/Tram Trailer
  - l.) 2 Pumps
  - m.) 1 Trailer Mounted Light Tower
  - n.) 2 Non-Asset Generators (attractive item)

Funding for this revenue is included in the FY26 Budget. Due to the nature of the auction process, the revenue generated cannot be estimated in advance. However, proceeds from the sale of vehicles and miscellaneous equipment will be returned to the originating fund, with proceeds designated to the Fleet Vehicle Replacement Fund serving to offset future vehicle replacement costs.
