To Whom it May Concern: I, Shirley A Kozlow, living at 100 Harbor Drive, am the immediate neighbor to the individual requesting an appeal for the dock permit issuance. I support my other neighbors including Dr. James Donovan (106 Harbor Dr) in their efforts to ensure that this matter is closed and they can build their dock structures as outlined in the approved permit. The dock and boat lift are consistent with the neighborhood. There has been a boat on the boat lift since the mid 2000's. To our knowledge there has been no prior appeal by any neighbor objecting to the dock and boatlift. The Myrback's have obstructed the efforts to rebuild this approved structure for several years now and the appeal should be rejected.
