Good morning! Would you please review for insurance requirements? This is a piggyback for a one time purchase. Contract No. 26-0520-PB These are for parts only, there is no installation involved. The vendor will not be onsite. Budget is estimated at \$500k.

Scott Ereckson Jun 9 2026 at 10:49 AM

Good morning, Kim. No insurance is required for this goods-only, shipped common carrier intake. Thank you!
